South Coast Orchid Society *Annual Orchid Auction*****

Auction Starts at 6:30 p.m.

Plant Viewing starts at 6:00 p.m.

Monday, October 28, 2019

Location: Whaley Park Community Center, 5620 E Atherton St., Long Beach

It is time again for our annual auction. As before, we have collected plants from vendors all over Southern California, and from select vendors in the United States, and around the world. You will be able to bid on blooming plants, species, hybrids, and orchid supplies. Doug Overstreet has again agreed to be our auctioneer. Doug is an enthusiastic and knowledgeable orchid grower, AOS Judge, and orchid specialist of the Thornton Conservatory for The Huntington.

We are urging members to invite friends, neighbors, and anyone they know, who might have an interest in orchids.

Plant donations from members are welcomed. Please assure they are healthy and clean, and, if possible, contact one of the board members to register your plants before the auction. If you are bringing them to the auction, be sure to arrive early in order to have your plants labeled and entered in the auction data base.

Refreshments will be served. The doors open at 5:00 p.m., to allow time to set up the chairs and tables and arrange the plants and materials for auction, so that plant viewing can start at 6:00 p.m. We will start the auction at 6:30 p.m. Everything is there to be sold. Come early to view the offerings, and make a list of those you want to add to your collection.

Refreshments

SCOS will provide the refreshments. No need to bring food.

Program Notes

We really enjoyed Roberta Fox's presentation last month about her riverboat voyage on the Rio Negro in Brazil's Amazon region, a tour arranged by Orchid Conservation Alliance. It was a great pleasure to see the flooded forest habitat and its flora and fauna, including some great orchids. At least this part of the Amazon basin is still intact and may survive, since it spends half the year under 30 feet of water. But if you ever hope to see the Amazon, best to do it soon!

Now our attention turns to our annual auction, a miracle of organization and stamina. If you can arrive before 6 pm, we can use your help setting up the room and checking in plants. Our thanks to Mong for agreeing once again to manage the whole operation, and to the dedicated volunteers who are driving all over Southern California to round up plants for your enjoyment! Encourage your friends to attend, we need to fill those chairs! The plants that we sell pay for our programs!
