PROGRAM - AUGUST 25, 1958 - - 8:00 PM

"HOLIDAY IN HAWAII" - COLOR MOTION PICTURE

"ALOHA! Welcome to the LUAU -

Bring your appetite, (and plenty of food), eat plenty but don't go to sleep. Through the courtesy of United Air Lines, and their representative Mr. Charles Laws, we will spend some time on a tour of the Islands so prepare to relax and enjoy the beauty that is Hawaii."

Aloha! George Hudson

1st V. President - Program Chairman

This is the big night we've been looking forward to, and we suggest you arrive early enough to provide time for setting the tables. Serving will start promptly at 6:30 P.M.

Suggested dishes to bring include chicken, ham, spareribs and other meat dishes, salads, relishes, casserole dishes, pie, cake, etc, keeping in mind the Luau theme, and bring sufficient to serve eight people.

Don't forget to bring your own table service. Mrs. Calvin Worthen is providing the table decorations and a committee has been appointed to set up the tables and make the coffee.

And let's make it a real Luau by dressing the part -- you might win something, as there are prizes for the most authentic costumes.

We have also invited members of other societies to join the festivities as our guests, so lets take advantage of this opportunity to get better acquainted.

Judging, as usual, will start at 7:00 P.M. and the meeting will start at 8:00 P.M. Ice cream will be served following the meeting, furnished by Southern California Greenhouse Manufactures - coffee will also be served.

It's going to be a big day - see you all there!

REFRESHMENTS

Our thanks to Mrs. Van Tilton and her committee for serving refreshments last month, and for the beautiful centerpiece of orchids and anthuriums which she prepared.

PLANT FORUM

Last months Forum presented a dazzling display of well over a hundred blooming plants. Joe Hampton, chairman, did his usual good job of presenting the plants, with Mrs. Crothers and John Hanes on the Species, Botanicals and Phalenopsis, Clark Day on Cypripediums and Vandas, and Morris Holmquist assisting Joe on Cattleyas. Bring in your blooming plants for all to enjoy, and remember, there is a special plant drawing for contributors to the Forum.

PLANT DRAWING

This months plant drawing will contain some very fine orchids procured from B. O. BRACEY and COMPANY, Santa Ana, and, to quote Joe Hampton, they are promising an outstanding table of plants. In addition to the plants procured last month from OZZELLA ORCHIDS of Hawthorne, we wish to express our appreciation for donations received from Rapella Orchids, Clark Day, Southern California Greenhouse Mfrs., Rheinfank and Associates, Toys, and Everett Harris.

DUES

Society dues for the remaining half of 1958 are \$2.00. Dues, including subscription to the Orchid Digest, are \$6.00. Remit your dues to the Membership Secretary, Woodrow C. Wilson, 2453 Flower St., Huntington Park, or contact him at the meeting.

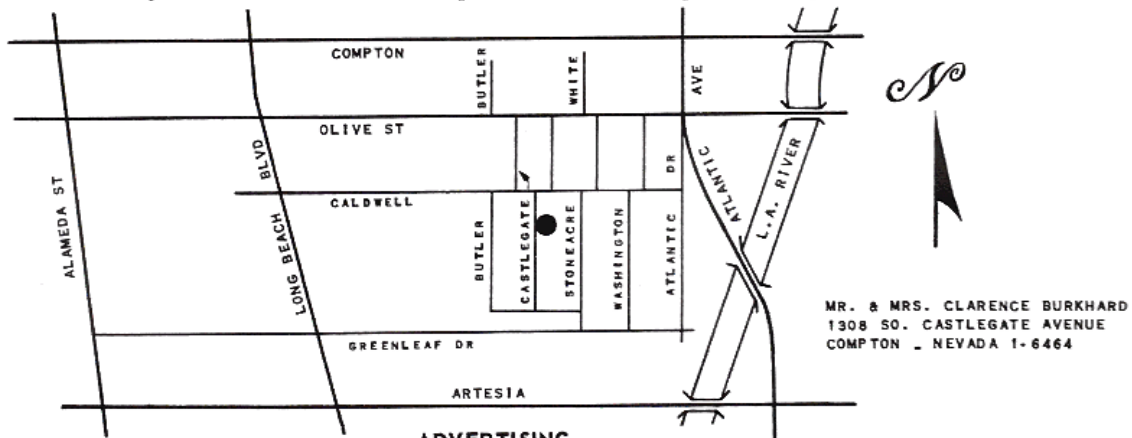

LIBRARY

Back issues of THE ORCHID DIGEST are desired to build up our library, and any donations will be appreciated. Contact Van D. Tilton, 3854 Clark Ave., Long Beach 8, phone GA 5-8306.

NOVICE CLASS

Sixty eight members and guests attended the last Novice Class which met at the range of Emerson "Doc" Charles in Costa Mesa. Our sincere thanks to the Charles' for the hospitality extended the group. Jim Tresh, chairman, conducted the meeting which covered discussions on Spore Fungus and Fir Bark and tests "Doc" Charles is conducting with chopped redwood bark. Specimen plants growing in this medium were displayed. Cleda Lincoln reported on Seedling Distribution and she and her committee will select plants from Ozzella Orchids, which will be available for distribution to eligible members at the next meeting. (Eligible members are those who have attended four of the past six meetings, including the September meeting.) The next meeting will be held on the FIRST Sunday of September (Sept. 7th) at 10:00 A.M., at the home of Mr. & Mrs. Clarence Burkard, 1308 So. Castlegate Ave., Compton - phone NEVada 1-6464. This should be quite a meeting as, in addition to Seedling Distribution, John Hanes will make a laymens level talk on Chromosome Count.

See you there - and the map below will help direct you.

ADVERTISING

For information relative to advertising space and rates in the Bulletin, contact Lee N. Bentzen, Bulletin Editor. His address is 4607 Blackthorne Avenue, Long Beach 8, California and telephone HARRISON 5-1576. Deadline for each month's issue is the second Friday of each month.

NEW MEMBERS

We wish to welcome the following new members into our Society, and suggest you look them up at the next meeting:

Mr. and Mrs. Edward Geick - 831 E. Willow, Long Beach, California
and renewed membership:

Mr. Francis Baton, 1330 - 27th St., San Pedro, TE 26090

Mr. & Mrs. R. C. McKeown, 6602 Gale Ave., Long Beach 5, NE 29985

Change of address:

Johannes A. Beck - 3626 Sandwood, Lakewood 11

Please enter their names in your Membership Director for future reference.

GUESTS

The following were guests at our July meeting. We sincerely hope they will make us a return visit real soon.

Mr. and Mrs. Everett L. Harris - San Marino
Miss Christine Uhlman - Larson AFB, Moses Lake, Wn.
Mr. and Mrs. J. H. Maxwell - Redondo Beach
Mr. and Mrs. W. A. Lester - Rolling Hills
F. R. Neldner - Long Beach
Jimmy Calhoun - Torrance
Mr. and Mrs. Paul Holmes - Lafayette
Mr. and Mrs. Fred Brown - Alhambra (Honorary member)

JUDGING

South Coast Orchid Society and Orchid Digest Corporation judging commences at 7:00 P.M. Plants not in the Judging Room by that time cannot be judged. Fill out your entry form completely and legibly, as all information requested is required for the records. Have a varietal name selected for your plant and enter it on the judging form.

To promote *Cymbidium* bloom spikes *Stewarts* switch to **HI BLOOM Fertilizer (2-10-10)** around August first. After growth is well advanced by early August we cut down on our nitrogen and feed a high phosphorous and potassium fertilizer to encourage flower spike development.

We have **HI BLOOM 2-10-10** available in

Pint bottles	@	80¢
Quart bottles	@	\$1.30
Gallons	@	\$2.75

Also available in larger containers.

We suggest you buy your **HI BLOOM 2-10-10** now.

Recommended use: 1 tablespoon to one gallon water every 10 days until spikes have finished showing - around end of October.

SPECIAL FIR BARK SALE

To acquaint you with our new, improved Ivory Fir Bark, we are having a sale to Sept. 15 only. There is no finer Fir Bark available anywhere at any price!

Wood free

Particle size you want (1/8" to 5/8")
