PROGRAM

September 23, 1963 - 8:00 P. M.

"SOPHRONITIS GRANDIFLORA"

Clark Day, Jr.

This month we are again privileged to have one of our own members as our guest speaker. Clark, our 2nd Vice President, has been a commercial orchid grower for many years and is a very qualified speaker. His program will feature the general culture of these orchids and he also has a fine selection of slides which he will show. This should prove to be a very educational meeting. Let's all come out!!!

Our Annual Luau is over for another year and it was a huge success. The Society wishes to take this opportunity to thank all of those who contributed time, effort, and food to make this such a memorable occasion. We would like to thank the following for their untiring efforts: Donna and George Hudson, the general chairmen; Southern California Greenhouse for the ice cream; Natalie Neal and Erma Patzig for the tremendous cake; Ann Vaughan for the centerpiece; and the Hawaiian AirLines for the wonderful film and entertainment.

In our contest the winners were as follows:

Special prize on how not to dress for a Luau - Frank Fordyce
Most authentic dress for a man - Clyde Crary
Most authentic dress for a woman - Vida Jacobsen
Most authentic dress for a boy - Bobby McGavren
Most authentic dress for a girl - Susie Fordyce

- PLANT FORUM -

The Plant Forum for the Luau was very ably handled by Frank Fordyce and John Hanes. Their commentary was very interesting and educational.

- PLANT PROCUREMENT -

Many thanks to everyone who donated to the plant procurement in August to make it so successful.

The plants for the September meeting will come from Armacost & Royston, so we can expect an excellent selection.

- SPECIAL -

Many of our members will be in the Islands at the time of this meeting - we will miss them but know they are having a wonderful time. We will expect an excellent report when they get back.

- NOVICE CLASS -

Sixty five members attended the meeting of the Novice Class on September 8th at the Kilgore's home. Dean Field conducted a very interesting program on general culture of orchids, etc. The next meeting will be held at the home of Cleda Lincoln, 16512 Lucia Lane, Huntington Beach on October 6th at 10:00 a.m.

INTRODUCTORY OFFER

\$1.75 each

or a group of 1 of each cross for \$12.95

20,000 vigorous alba seedlings on 2½" pots are available now for your pleasure. These were bred from the finest white Cattleya parents and should bring forth many good commercial and exhibition types of potential award plants. We predict blooms of good substance, texture and shape of the bifoliate type in most crosses. The blooming season is from spring on into fall and many should be free-flowering.
