MEETS ON THE 4TH MONDAY OF EACH MONTH AT BIXBY PARK CLUB HOUSE

ORCHIDS ARE GRACIOUS LIVING- WEAR THEM!

PROGRAM:

February 22, 1971

8:00 P.M.

Our speaker will be Robert D. Jones president of Rod McLellan Co., San Francisco. He will speak on: (BO - M C - V - W).

We are not discussing cars, soap or stage productions, the letters refer to Orchids can you guess? Frankly we cannot so suggest you join us and find out. Needless to say guests are always welcome.

PLANT PROCUREMENT: The plants will of course be from Rod McLellan's so I'm sure there will be something to interest everyone.

PROGRAM PAST:

Ladies and Gentlemen if you missed the So. Coast Meeting, you really missed something. The Ladies looked just beautiful in their lovely gowns and the Gentlemen really looked handsome.

Our Speakers for the evening were Mr. & Mrs. Kennedy. They showed slides on collecting Orchids in Madagascar. They were so darn good, we all felt like we were on the trip with them. I'm sure all of us who were there feel a lot richer because of meeting and hearing two such wonderful people.

What in the world can I say about Jerry Worthen's table arrangements? Every year, we all say "They are out of this world." Then, comes the next year and Jerry creates a more astoundingly beautiful theme. We know it takes months to put it all together. A lot of love and thoughtfulness goes into every one of them. Everyone who was lucky enough to win one was overjoyed.

The South Coast Board expresses their thanks to folks who brought their friends to our Banquet to share the pleasure of their company with us. A special! special! thanks! to Leo Holguin, From Armacost, for the very generous supply of gorgeous Orchids Jerry used in her arrangements. A great big "thank you to all", the growers that furnished our plant table. They were outstanding plants and " Oh! so many!" Did you all ever see such happiness on faces of those who were lucky enough to win one? I felt myself turning green with envy. Still no luck. "Oh well, I have another chance at our February meeting.

We all are indebted to Mr. & Mrs. Falk for reserving the Banquet room for us. Without them we couldn't have had such a wonderful evening. And those steaks-well!, that was really something else.

All together it was one heck of an exciting Banquet because of our Master of Cermonies, Paul Brecht, who is one swell guy as you all know.

Good people, I don't know how many of you were aware that Leo Bance wrote our interesting and informative bulletin for ever so many years(How many Leo?) I can't think why he didn't sign his name to it, probably modesty. "Leo, you should be proud of s job well done." Leo was so precise and particular about the knowledge he passed on to us. Boy, oh Boy, we will miss him. "Leo, you left such big shoes for me to try to fill and I can't even spell.
