ORCHIDS ADD A LITTLE SPICE TO LIFE-WEAR THEM OFTEN

PROGRAM:

July 26, 1971

8:00 P.M.

Our speaker for July will be none other than Lee Starke. This knowledgeable young man has grown and hybridized Phalaenopsis for 8 years. He will tell us about some of the results and his aims along this field. Among his other accomplishments are he graduated from California State College at Fullerton with a degree in Education, majoring in Science and he also has his teaching credentials in that field. At present he is working on his Masters degree. He is a member of O.S.S.C. and Orange County Orchid Societies. He is the son of Mildred and Les Starke members of South Coast Orchid Society. So let us welcome this rising star in our Orchid heaven with best attendance this year and come prepared to learn and ask questions.

Our plants will be furnished by Gublers Orchid Range in Temple City. Hans Gubler has promised us some very nice things many of them will be Phalaenopsis. If any of you have a division or divisions of something you like they will always be welcomed and I can't think of a better way to share your orchids with others.

PROGRAM PAST: Art and Ruth Falk gave us a most interesting program. I am for having more of the same in the future. Art did the research and adapted the comments to the slides and I think he did an excellent job. While Art showed the slides, Ruth gave the commentary of their trip to Greece. Everyone was so intrigued with the beautiful slides and comments that went with them that over 90 people in attendance you could hear a pin drop. Their trip spanned over 6,000 years of history. Many, many thanks to Art & Ruth Falk with sharing their most enjoyable trip with us. Come back and do it again soon.

The plant table was supplied by Art Falk, Lee Bentzen, Ernie Campuzano, Clark Day Jr., Lloyd DeGarmo, Andy Yamamoto, Dr. Tharp, Fred A. Stewart Co, So. Calif. Greenhouse Co., John Hanes, Mac. Thompson, Roman Brumm, Hagins Orchids and Paul Shaub. Many, many thanks to all, your donations are always greatly appreciated.

NEW MEMBER: We wish to welcome Mr. & Mrs Raymond P. Schaefer of 69 Eastfield Dr., Rolling Hills, 90274 as new members of our society.

REFRESHMENTS: The following members have been invited to donate cookies for our July meeting: Mr. & Mrs. Paul Brecht, Mr. & Mrs. Buhler, Mr. Lloyd DeGarmo, Mr. & Mrs. Chas. Dixon, Irene Dobkin, Mr. & Mrs Paul Dorn, Francis Eaton, Mr. & Mrs. Don A Ewart, Mr. & Mrs A. Falk, and Mrs. Jean Field.
