

SOUTH COAST

ORCHID SOCIETY, INC.

LONG BEACH, CALIFORNIA

MEETING 4TH MONDAY EACH MONTH
WARDLOW PARK CLUBHOUSE
3457 STANBRIDGE AVE.
LONG BEACH, CALIF.

PROGRAM FEBRUARY 26, 1973 8 P.M.

As Washington's birthday has just passed it is fitting that we welcome as speaker Mr. Leo Holquin. He has been a leader in orchid development and improvement in this area. And as manager of Armacost & Royston, Leo has (as their slogan says) really been "WHERE IT ALL BEGAN". Both Leo and his wife Irene are authorities on hybrid cattaleyas, so bring in any questions you may have to an expert for a TRUE answer.

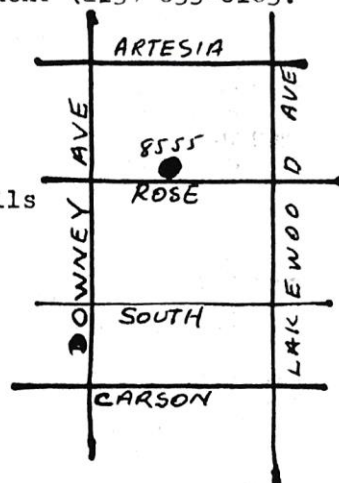

The PLANT TABLE will be furnished by Armacost & Royston so it will a wide variety of outstanding plants. Also, thanks to So. Calif. Greenhouse, there is usually some much appreciated item for your own greenhouse. And, last but maybe ? best, South Coast's own BOARD MEMBERS donate divisions of plants. Now -- doesn't this make quite a PLANT TABLE!

NOVICE CLASS SUNDAY MARCH 4 at 10 A.M.

ALL NEW SOUTH COAST MEMBERS are invited to join this group of novice orchid growers that enjoy learning more of the best culture of the many different orchids. Meeting once a month, usually on the first Sunday morning at 10 AM., we visit other members greenhouses, go on field trips, see ORCHID SHOWS, tour commercial ranges. And, our next meeting is really a SPECIAL one for this season. We are visiting the home of Lloyd De Garmo, who has a fabulous collection of Cymbidiums, who is an authority on them. Bring questions, a chair for comfort, and regular members bring plant for table. The address is 8555 Rose St. Bellflower, Phone (213) 633-6183.

Last month, in spite of a cold rainy day 35 members drove to Pasadena to see the exceptional species collection of Mr. Walter Rybazyk, and it was certainly well worth the trip. About the way we go to a nursery to buy our plants, Walter goes to their native habitat to get his. And, as he tells of the trips you know how he treasures each experience and each plant. Our appreciation to Vivian and Walter for such an enjoyable morning.

We were all so glad to see Mr. Jules Perez back again after a prolonged illness. Really nice to see him so much stronger, so keep coming Jules, we have missed you.

The Gala meeting of the year is always the INSTALLATION & AWARDS DINNER at the Petroleum Club. This year Mr. & Mrs. (Ruth) George Kennedy combined their narrative talents and spoke of their experiences collecting orchids in the orchids native habitat. It certainly was very interesting and enjoyable.

The decorations, the table arrangements were beautifully planned and were all originals by Mrs. Jerry Worthen. Everyone wanted to win one so you know they were unique.

And the PLANT TABLE must be mentioned. It was stupendous and was all donated by commercial growers, private growers and South Coast members.

These are among those you can thank..Armacost & Royston, Dr. Aucreman, Leo Bance, P.G. Barnett, Lee Bentzen, Chas Bowman, So. Cal. Greenhouse, Hagin'S, Sonia Clark, Paul Brecht, E. SOUTH COAST ORCHID SOCIETY TROPHY
Most points scored in Ribbon Judging 1972

won by ANDY YAMAMOTO

To all the people that spent many hours and thought on the preparations of the banquet just one more big THANK YOU. You are the ones that keep South Coast Orchid Society the BESTEST of ALL THE RESTEST!

It is with deep sorrow that we note the death of Mary Jane Dorn. She was a warm, gracious lady and will be missed. Our sympathy to Paul.

Pearl Spencer, recovering from a painful hip operation, is now home, so how about sending her a word of cheer.

Each new year should present new challenges to both officers and members. So, when you have ideas to make South Coast a more interesting informative, enjoyable club, let's try to get them started to build a larger, more dynamic group of orchid lovers.....
