\*\*\*\*\*

Buffet starting at 6 P.M. --- August 27, 1973 --- Regular Meeting starting at 8 P.M.

\*\*\*\*\*  
IT WILL BE MUCH MORE FUN IF YOU ARE THERE  
\*\*\*\*\*

If you remember past years' Luau meeting you will be ready to do your part helping this year another enjoyable success. This is one evening that takes a lot of planning and work and the Board Members really try to do their share but it really is the members of South Coast that must participate to put this over. Sonia Clark is in charge of the buffet, and will appreciate if ALL FOOD can be brought to the kitchen so the feast can be set up quickly and the service to begin as soon as possible. Please bring table service for each and

If your name begins with A to D bring a hot dish to serve twelve

D to S bring a salad to serve twelve

S thru Z bring a dessert to serve twelve.

In the interest of serving more people please do not bring 'dips 'n chips' rolls, or pies. Beverages will be served, rolls or bread will be furnished by South Coast. So bring a big appetite, your friends, your food, your table service and prepare to enjoy a banquet. Help set the stage by "GOING NATIVE" in your prettiest costume. And, on the stage will be an ALL NEW SHOW that is really out of this world. Mrs. Ruth Falk is in charge of the program, and has promised a cast of very outstanding characters to entertain you.

The plant table is made of DONATIONS -- all from SOUTH COAST MEMBERS

so if you have a division or plant that you can give to the table it will be truly appreciated. This is one meeting that the money taken in from tickets can be used to defray our current expenses.

As I said before IT WILL ONLY BE FUN IF YOU ARE THERE TOO.....

# JULY ACTIVITIES \* MEETING HIGHLIGHTS

It really takes an experienced speaker to get his audience involved in his subject, and that is exactly what Mr. Don Herman managed to do. It soon became a spirited contest for members to trace the background of the new crosses in the slides shown. And, the voices of Eugene Casey, Clark Day, A. G. Tharp, P. G. Barnett were among those I recognized. It made an interesting addition to the program. The plant table furnished by Don Hermans Triwood Orchids had some of those new Cattleya crosses. If you ever wish to have some very good and very healthy seedlings, get in touch with him, you will be very pleased with them. And, also the plant table looked especially full because we had some some plants donated by members. Mrs. Ruth Falk, Mr. P. G. Barnett, Paul Bechtel, Lee Bentzen, Ada Thompson, So. Cal. Greenhouses, Stewart's Orchids Dr. A. G. Tharp, Marjorie Orchids. Now you can see why our Plant tables have been proving much more popular.....

There must be a special THANK YOU ALL for all those of the membership that donated plants for the two recent Shows. Especially, the plants that were used in the Anaheim Rose & Garden Show were so beautiful that it was a pleasure to work with them. These people really helped to make our displays effective. Lee Bentzen, the Rowlands, Lloyd De Garmo, the Wilsons, Billie Murphy, Sonia Clark, the Worthens, the Schaub's, the Greens, Irene Dohkin, Dr. Sedgewick, Dr. Glass, the Stockhams and I,m hoping that I haven't missed anyone because they were certainly appreciated by the group of Charley Bowman, Paul Brecht, Jerry Worthen, Ann & Woody Wilson, CCharley Stockham when they worked on the exhibit. And they were certainly a hard working crew.

This is a special "THANK YOU" to Mr. Paul Schaub for coming up with a really good idea. He donated five bromeliads for use as accent plants in the last show.....and suggested that we keep them to use in future shows. Thus, we now have a beginning of a PLANT BANK. Isn't this great, so, if anyone has plants they really can't use anymore and will call me I'll see that they are picked up and repotted and available when needed.....Oh yes, the bromeliads are all farmed out and will be growing and will be ready when needed.....

*Missed seeing you - Hope  
you can come to the
