NOVICE NEWS

The October meeting of the Novice group will be held at the home of Phyllis Cross. An outside speaker is being arranged. The date is the first Sunday of the month, November 2. Bring your friends, chairs, and a plant - preferably a healthy orchid! For more information, call Phyllis at (213) 581-1693, or Don Pollard (213) 421-4366.

Everyone had fun with a 'Do It Your Self Mounting' at the Koenigsberg's. Sam was very generous by furnishing mounting material and information. Various members donated plants to be mounted.

Helen and Garry Coon have purchased a home in Leisure World, Laguna Hills, and will be moving when their Naples home is sold. Garry is working on a listing of plants (particularly cattleyas, but including most all genera) that they will be unable to take with them as a greenhouse is not permitted. Call Garry at (213) 438-1860 and ask to be mailed a copy, or send him a postal card. He would prefer someone who would buy out an entire genera, but Helen and Garry will sell individual plants.

NEWS FLASH:

Thanks to the hard work of Charles Bowman, Arthur McCann, Charles Stockham, and Emma Green SCOS won first place in their class at the Pomona Fair. Our thanks also go to The Wilsons and The Powells for the plants they donated.

Answer: Brachypetalus.
