Guest Speaker for September

We are very pleased to announce that our September program will feature Dr. Robert Hull. Dr. Bob will be speaking to us on the culture of the Cattleya and Laelia alliance and will be showing us some of his outstanding crosses. Dr. Hull is the owner of Sunswapt Orchids in Studio City and is a very familiar face at the orchid shows. We look forward to his presentation and to the plant table that he will be supplying this month. Circle the date and don't forget to get lots of raffle tickets.

Reflections On Last Month's Program

Mr. Ernie Campuzano, owner of Butterfly Orchids, was our guest speaker in August. Ernie showed us some slides of some great plants and of his tour of duty in Korea in the early fifties (Ernie has hardly changed a bit in all those years). We certainly enjoyed watching and learning some of Ernie's techniques in growing those fantastic plants that he brings to our meetings. He invites us to come up sometime to Butterfly Orchids at 821 West Ballina Ct. in Thousand Oaks. His phone # is (805) 498-2077.

'93 Elections

Tis that time again to elect new officers and directors for the SCOS. The Nomination Committee, headed by Charles Bowman, is seeking members who are interested in helping to govern our Society. Don't be bashful, we really need your ideas and help.

Visitors

SCOS was pleased to have James Reed of Huntington Beach and Janell Schuck of Seal Beach visit us in July and to have C. Mabuni of Long Beach visit us in August. We all hope that you enjoyed our Society and will join with us soon.

Plant Donations
