Next Meeting is on April 26 at 8 P.M.

April will bring Mr. Joe Miskimens to the podium. Joe will be speaking on nature's methods to ensure that plant species will survive. The topic is "Pollination" and should prove very interesting. So if you ever wondered why some plants have some strange appearances and fragrances, tune in this month.

Reflections On Last Meeting

Our March meeting featured Lucille Raskoff. We enjoyed listening to Lucille, who is the owner of Orchids Etc. in Hollywood and the President of the San Fernando Orchid Society, speak of her adventures in the Orchid Capital of the World - Brazil. She showed us some interesting slides of not only the flora but of the people that inhabit this beautiful part of the world.

Thanks, Lucille for your presentation and the lovely plant table.

Our benefactors of the month include: Ann Wilson, Paul Brecht, Dr. Phil Plocher, Bonnie Navens and Alberta Booth. They made donations to the Plant Table and/or the Silent Auction. A great big thanks from SCOS to each and every one, they help to keep our club alive and solvent.

We were honored by the presence of two March Visitors. They were Elaine Katz & Ron Allenegui. Hope that you enjoyed our meeting and our Society, and will come back again and join us.

Thanks once again for all offers of help and suggestions. Please keep them coming, for this is the only way that we can continue to prosper as a club. Get involved! Come to our Board Meeting on Sunday April 18 at the Nerio home in Huntington Beach.

Refreshments

The March refreshments list is: Ralph & Mary Borders, Don & Suzanne Bradish, George Buhler, Glenn & Getrude Briney, Doris Browning, Dr. Don & Madlyn Browning, Jim & Noelle Burkey, Ernie Campuzano, Ron Capps, Alejandro Capriles, Doc' Charles and Helen & David Congleton.

PLEASE do your part in providing refreshments. We often run low and have to make a last minute mad rush to buy some cakes and cookies so that everybody can enjoy. If you can't help this month, inform Whitney France at 310/494-3526 as soon as possible, and bring something the following month. The refreshments issue has gotten 'testy' at times when a large group shows up at the meeting along with a large AOS judging group. Your club needs your assistance. If you have some recommendations for changes, please contact any officer or director with your ideas. Thanks.
