President's Message

It's auction time. Please come and support the auction which is our major fundraiser for the year. All donations are welcome – especially blooming plants. If you cannot bring the plants to the meeting, please call any board member and they will pick them up.

We closed our speaker series last month with an informative re-potting demonstration covering some of the major species of orchids. The hands on demonstration and instruction was arranged by Ruben with participation from all of our members. The plants were supplied by various vendors from previous shows and the re-potting supplies were supplied by U.S. Orchid Supplies.

It was a fun evening and the interchange was good for our beginning and advanced members. The silent auction and spectacular plant table were a great finish to the evening.

Thanks to everyone who participated.

Wishing you and your family a happy Thanksgiving.

**John Reyes
President**

As was announced at our last meeting, one of our SCOS family, Vesta Bowles passed away in October.

Our thoughts and prayers go out to her family at this time of sorrow.

LOST AND FOUND

A men's black, heavy winter jacket (Original Windbreaker) was left at our October meeting. I will bring it to the November auction. If you would like to pick it up before then, please call John Reyes at 562 431-1142

Society News

Elections are coming up. Anyone interested in holding a position on the board, please contact the nominating committee led by Dean Viereck.

We are still looking for a bulletin editor. Contact John Reyes if interested.

Our dues will be increased to \$20 per family for the 2005 year in order to help meet rising costs in mailing and meeting costs. Still a great deal! We will have formal vote to increase the dues to \$20 at the November meeting.
