President's Message

Hello everyone, updating our status the City Of Long Beach informed us this month that they were officially suspending meetings until further notice because of safety concerns with the virus. I hope none of our members have been affected by the virus. Pat and I have finally put our kayak into the activities rotation with bike riding, gardening, and staring at the walls. It is kind of nice to be on the water to take our minds off our home staycation, plus it keeps us physically and mentally active. I urge everyone to find some new activities to keep yourself physically and mentally challenged, because it looks like we are in this predicament for the long haul. Lets pray for an expedited cure for this virus so we can get back to some degree of normal. Stay positive and stay healthy.

"When I told my 3 year old we couldn't go out again she asked if it was because of the corona pirates, I said yes"

Maintain your sense of humor.

John

Orchid Photos From Arthur Pinkers

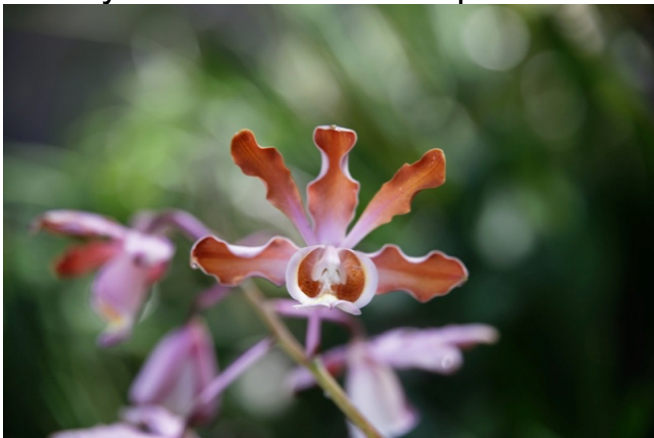

You should all know Arthur as the official AOS photographer for the judging that takes place in Whaley Park each time we have an SCOS meeting. Arthur's AOS Awards photos are included in the AOS Bulletin, Orchids, and give us a chance to see what the best of the best look like. This month, Arthur is sharing photos of orchids blooming in his garden; you will see a variety of different orchids, all well grown. Thank you, Arthur.

Vendor Sponsors

The South Coast Orchid Society thanks these commercial vendors for their generosity and support of our 2019 Annual Auction and other events helping to carry us through a successful 2020. If you need supplies or want to shop for orchids, please consider these vendors first. They helped us, maybe we can help them, and get some great orchids too!
