Orchid News June 2021

Summer arrived a little early, it seems, and the heat is on at our place in Murrieta, where the temperature has been over 100 for several days.

The other AOS Judging centers are open for business, but not the one we sponsor here in Long Beach. Looking at the positive side, we may be just days away from the opening of Whaley Park and the reawakening of our in-person meetings. (Hint: in the grocery store this morning, most patrons were not wearing masks, though employees were still being told they must.) Also, I checked websites, and it looks like Andy's and Cal-Orchid will have open houses soon. The long days are prompting many orchids to bloom and grow. Hopefully, we will all have an abundance of flowers to show off when we meet again. Until then, check out the photos below, and keep cool.

President's Message

As I write this message I am sitting in my sister's house in Cambria where I installed a drip system in her new home overlooking the blue Pacific. You can only water once a week on certain days which would be tough for orchid growers so this drip system is a good alternative. This is only the second time since March 2020 that Pat and I have ventured farther than 40 miles from home. I am running out things to write since start up of our in person meetings is still on hold with the city. Elaine informed me that her quilting meeting at Wardlow Park will be starting up soon with a reduced footprint, so maybe we are next. Let's hope. In the meantime keep growing.

Vendor Sponsors

The South Coast Orchid Society thanks these commercial vendors for their generosity and support of our 2019 Annual Auction and other events helping to carry us through a successful 2021. If you need supplies or want to shop for orchids, please consider these vendors first. They helped us, maybe we can help them, and get some great orchids too!
