Orchid News November 2021

At least the local orchid vendors have got the holiday spirit. I see two upcoming Open House events at SVO and Andy's. This is good news! Plus, it looks like the Santa Barbara International Orchid Show will be live and in person in March. And that will be followed shortly by the South Bay Orchid Show and Sale. People are obviously in the right spirit, now we just need a break from the virus. I know of two cases, in which people were exposed to someone, who had gotten the vaccine only to turn up with the virus. And I thought orchid viruses were bad! I am taking a positive attitude, being thankful for what we do have, and contemplating filling the empty niches on my orchid bench in the near future. Happy Thanksgiving!

President's Message

Hello everyone, Happy Thanksgiving. I would like to wish you and your families a safe and fruitful Thanksgiving. Pat and I will be hosting 21 vaccinated family members for Thanksgiving Dinner. My recovery from back surgery is going quite well. My doctor has directed me to walk as therapy for recovery. I have been walking up to 2 1/2 miles a day and feeling pretty good. No lifting, twisting or golf for a few months. From last month if you read the newsletter we will probably be starting up our regular meetings starting January 2022. I have not received any definitive direction from Long Beach yet, but I will keep everyone informed through the newsletter. Enjoy your holiday.

Vendor Sponsors

The South Coast Orchid Society thanks these commercial vendors for their generosity and support of our 2019 Annual Auction and other events helping to carry us through a successful 2021. If you need supplies or want to shop for orchids, please consider these vendors first. They helped us, maybe we can help them, and get some great orchids too!
