“Orchid Mounting Workshop”

Workshop Leader: **Barton Mozlin**

7:00 p.m.

Barton Mozlin is our Instructor for our Orchid Mounting Workshop. This will be a “hands on” workshop in which members and guests will have an opportunity to mount an orchid and take it home to grow and enjoy. We hope in a few months to again see these orchids in bloom on our ribbon judging table.

Barton describes himself as an “Orchid Freak”. He has been growing orchids for the past 40 years. After retiring as a Special Education Teacher, he has spent many years traveling the areas where orchids grow. Species that are mounted, dominate his collection. Many of us encounter Barton at the various Orchid Shows where he works with Andy’s Orchids and also gives lecture at Norman’s Orchids’ Open Houses.
