SCOS ANNUAL AUCTION

Monday, October 25

**Doors Open 5:30 p.m. for Auction Setup
Auction Begins 6:30 p.m.**

This month our meeting schedule focuses on our annual auction. We have always had a great selection of plants and materials, and this year should be no different. We will have species and hybrids, awarded clones and blooming plants, and the usual selection of potting media, pots, fertilizer, and other items. Come and bring your friends for a fun-filled evening.

Refreshments

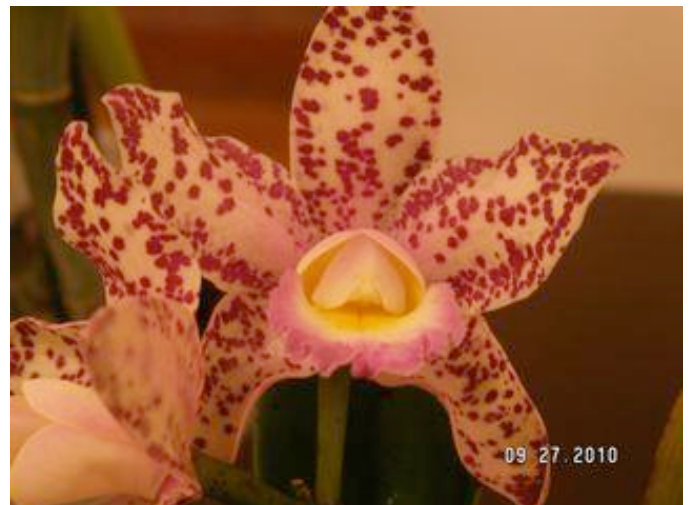

Last names starting with **A through H** please bring refreshments.

President's Message

What are the odds we would have record setting temperatures one Monday, followed by rain the following Monday? Generally, the weather this summer has provided a good growing opportunity for my plants, and they are blooming in spite of my distraction with an ongoing remodel. Now it is time to enjoy the Fall bloomers such as *Cattleya labiata*, and to look forward to *Cymbidium* season.

Our auction is the primary fundraising event of the year, and we cannot say enough about the generous donations we get from the businesses serving the orchid community. We are very fortunate to receive really marvelous plants and other items. So, when buying orchids, please give first consideration to those who donate to our society. Names, addresses, phone numbers and websites are included in the table at the end of every newsletter.

Russ Nichols
President
