## **Favorite Fragrant Orchids**

**by Peter T. Lin**

**Monday, March 26, 2018**

**Presentation starts at 7:30 p.m.**

Peter Lin will be presenting his talk on: Favorite Fragrant Orchids. Along with the beauty of the flowers, many orchids have an alluring fragrance that is hard to beat in the plant world. This fast paced PowerPoint presentation will show you some of my favorite orchids with truly fragrant flowers, and how to grow them.

Peter started growing orchids over 30 years ago, but then stopped due to school and starting a career. It wasn't until about 14 years ago that the orchid "bug" came back and he is now heavily involved once again. He is an accredited judge with the American Orchid Society and a hybridizer of mini-catts. He enjoys meeting with other orchid enthusiasts, and can often be found at various orchid shows and societies around the country. He also has hundreds of photos of his orchids that he maintains on Flickr. You can view them by typing this address into the internet:  
<http://www.flickr.com/photos/minicatt/collections/>

Due to limited growing space, Peter likes to specialize in miniature orchids, both species and hybrids, and has received numerous AOS awards. His other interests in orchids include Dendrobiums, Angraecoids, and Neofinetias. He maintains a collection of a thousand or more orchids at his home in Southern California in 3 small greenhouses, as well as an offsite greenhouse.

## President's Message

Well we finally got some rain. My garden and my orchid collection are much happier now, since I grow all my orchids outdoors. So we need to start paying more attention to our garden and our orchid collection. We had a great meeting and presentation from Tim Culbertson last month on soft leaved orchids. We gave out year end awards to members for their participation during our meetings. Thanks again to all those who come to the meetings and help make our meetings the success that they are.

Roberta Fox has done an outstanding job with our website but starting in June will not be able to continue with that job. So I am asking one of our members to step up to be our society's webmaster. Roberta and Tony Glinskas will work with us and you to insure a smooth transition. It is very important to continue our website. Contact any of our officer's if you can help us out.

John Reyes

## SCOS Awards for Dedicated Service and Outstanding Orchid Quality

Thanks to Mong Noiboonsook for the great photographs.

At our February meeting, President John Reyes presented service awards to those who are regularly helpful, filling in where needed to make our meetings successful.

**Earl Felt**

**Espie Quinn**

**Lynn Wiand**

**John McCoy**

Also, each year at our monthly meetings we display, judge, and award ribbons for flower quality and plant culture. At the end of the year, we tally the results for the year, and present awards for first, second, and third in our Ribbon Judging competition. At our February meeting, we presented SCOS awards for 2017. Persistence, consistency, a good eye, and a green thumb triumphed.

**Espie Quinn - Second Place**

**Lynn S. Wiand - First Place**

(Third Place award winner Roberta Fox was not present at the meeting.)
