South Coast Orchid Society *Annual Orchid Auction*****

Auction Starts at 6:30 p.m.

Plant Viewing starts at 6:00 p.m.

Monday, October 22, 2017

Location: Whaley Park Community Center, 5620 E Atherton St., Long Beach

It is time again for our annual auction. As before, we have collected plants from vendors all over Southern California, and from select vendors in the United States, and around the world. You will be able to bid on blooming plants, species, hybrids, and orchid supplies. Doug Overstreet has again agreed to be our auctioneer. Doug is an enthusiastic and knowledgeable orchid grower, AOS Judge, and orchid specialist of the Thornton Conservatory for The Huntington.

We are urging members to invite friends, neighbors, and anyone they know, who might have an interest in orchids.

Plant donations from members are welcomed. Please assure they are healthy and clean, and, if possible, contact one of the board members to register your plants before the auction. If you are bringing them to the auction, be sure to arrive early in order to have your plants labeled and entered in the auction data base.

Refreshments will be served. The doors open at 5:00 p.m., to allow time to set up the chairs and tables and arrange the plants and materials for auction, so that plant viewing can start at 6:00 p.m. We will start the auction at 6:30 p.m. Everything is there to be sold. Come early to view the offerings, and make a list of those you want to add to your collection.

Refreshments

SCOS will provide the refreshments. No need to bring food.

President's Message

Only two things for October. First, I would like to thank Scott McGregor for a great talk at our last meeting..

Last, it is **Auction** time. Make sure to invite all your friends and neighbors; the more bidders we have the more success we have with our auction. Doors open at 5:00 pm so if you can, come early to help us setup.

John Reyes
