

South Coast Orchid Society
Summary of May, 1953 meeting as published in *American Orchid Society Bulletin*

The South Coast Orchid Society met on May 22, 1953 at 7:30 P.M., at the Silverado Park Club House, Long Beach, California. After the business session, the program chairman, Mr. Dodd Young, introduced the guest speaker, M. Emil Vacin, who gave an illustrated talk on some phases of Cymbidium culture. Mr. Joseph Hampton of B. O. Bracey & Co., and Mr. Max Kline gave the plant forum. Sixty-four plants were exhibited. A unique display of mounted bumblebees with pollen attached to the thorax was exhibited by Mr. Harold Rapella.—*Charles E. Atkinson, Secretary, 813 E. Bay Avenue, Balboa, California.*
