

South Coast Orchid Society Summary of September, 1954 meeting as published in *Orchid Digest*

Mr. Alexander D. Hawkes, editor of *The Orchid Journal*, was the speaker for the evening and took us along with him on a "Tour of Parts of the Orchid World" by means of colored slides and his excellent knowledge and memory of orchids.

The plant forum was conducted by Mr. Joseph Hampton and Mrs. Rolan Howard and there were beautiful species (in honor of our speaker, *Cypripediums*, now beginning to bloom, and *Cattleyas*) for the enjoyment of all.
