Summary of November, 1954 meeting as published in *Orchid Digest*

Our meeting got off to a good start with the announcement that it had been decided that we would be the host society for the 1955 Western Orchid Congress, November 10, 11, 12, and 13, 1955. Mr. Joseph Hampton spoke on "The Use of Artificial Lights for Controlling Orchids."* The plant forum was conducted by Mr. Morris Holmquist and Mr. A. M. Thompson.
