SECRETARY

PROGRAM – September 26, 1960 – 8:00 P.M.

Mr. "Bud" Brown of Bakersfield

HORACE E. WHITTAKER
TREASURER

CALVIN WORTHEN
MEMBERSHIP SECRETARY

LEE N. BENTZEN
BULLETIN EDITOR

MRS. A. A. FRAMBACH
ASSISTANT EDITOR

Mr. Brown is no stranger to the South Coast Orchid Society, as he has addressed us before. It is a pleasure to welcome him back, and we can look forward to some very original ideas regarding orchid raising in general. Welcome aboard, Mr. Brown!

LUAU

The Luau has again come and gone, and if "Memory is Possession," we are rich indeed, as the memories of that occasion are delightful. Our own Dr. Lloyd Waller was again the general chairman, and everything went smoothly under his masterful hand. Everyone seemed to get into the spirit of the thing, and the whole assemblage presented a colorful sight with the muu-muus and Hawaiian shirts giving a gay tone to the feast and the meeting. The food was superb and we all left with our Opu Nui Nui full to bursting. The program of Hawaiian dancing, the beautiful colored pictures from Hawaiian Air Lines, the chanted invocation in Hawaiian by Mr. Kennedy, all lent accent to the enjoyment of the evening.

The prizes were carried off by Mrs. Jean Field, Mrs. Genevieve Toy and the Frank Fordyce family – giving emphasis to the old Biblical saying – "To him who hath, shall be given"!!! They were all clad in costumes typical of the Islands and the general theme of the Luau.

To all who had anything to do with the huge success of the evening, a very large THANK YOU.

PLANT FORUM

As usual, there was a fine display of plants for the Forum. Mrs. Crothers and "Doc" Charles did a fine job describing the Botanicals and Mr. Phil Ilsley and Mr. Clark Day very ably told us about the Cattleyas and other genera represented.

ORCHID DIGEST

Under the skillful prodding of Charlie Bowman, and with as many inducements offered to new subscribers as could be found in the Demopublican political platform, the goal of sufficient new subscribers to the Orchid Digest to entitle South Coast Orchid Society to a third representative on the Board of Directors was accomplished.

We are happy to say that it will be possible to continue this offer until the close of the September 26th meeting. The plants then will be available to the new subscribers at the October meeting.

The list of incentives, arranged alphabetically by the donors, is as follows:

Division of a fine plant - for each new subscriber - donated by
Arthur Falk.

Division of an awarded plant - donated by John Hanes.

Division of a fine plant - for each new subscriber - donated by
Harry Rapella.

One gift of \$40.00 worth of plants - donated by F. A. Stewart, Inc.

Also, each new subscriber will receive the 1960 back issues of
the Orchid Digest.

(The manner of deciding which new subscriber will receive
the plant donated by Mr. Hanes and the gift donated by
F. A. Stewart, Inc. will be announced at the meeting)

Surely every member who is not presently a subscriber to the Orchid Digest will want to take advantage of this wonderful opportunity.

NOVICE CLASS

Another very successful meeting of the Novice Class was held Sunday, September 11th - at the home of Mr. & Mrs. Calvin Worthen. Even though it was a very warm morning, there were 63 members in attendance. George Hudson very ably led the discussion of transplanting seedlings from the flask. Individual problems of water, fertilizing, pests, etc. were also discussed.

The next meeting of the Novice Class will be held at F. A. Stewart's, Inc. on Las Tunas Drive, San Gabriel, October 2, 1960. At this time the semi-annual distribution of certificates for attendance will be distributed. Once again, please note the change in TIME. As Stewart's does not open until the afternoon, the meeting is called at 1:30 p.m.

NEW MEMBERS

We are happy to welcome the following new members:

Mrs. Thelma J. Bell
Mr. Francis A. Gately
Mr. C. F. Lenhart

GREENHOUSES AND GARDENS OF THE WORLD*

**NOW THAT THE KIDS ARE
BACK IN SCHOOL...
AND VACATIONS OVER...**

— you can find time to do many things in your greenhouse that you have been putting off.

Clean up — paint up — fix up — and see that you have plenty of everything on hand for the busy months ahead — VITA BARK fir bark, Fertilizers, Insecticides, (the bugs don't take vacations), Labels, and many other items you use from day to day. Make ARMACOST & ROYSTON, Inc., your convenient headquarters for these supplies. Our line is complete.

And remember, also, if you discard some unwanted or obsolete plants, we have many new beautiful and interesting varieties from which to choose replacements.

It is important to begin using a low nitrogen, high phosphate and potash fertilizer for your Cymbidiums to harden the plants and improve blooming. We recommend "HI BLOOM" liquid fertilizer for this purpose. Quarts or Gals.
