MRS. A. A. FRAMBACH
ASSISTANT EDITOR

The speaker for this meeting will be Mr. Hans Gubler, who has had a long and distinguished career in the orchid business. His special interest for this evening will be Miltonias, and we can expect some interesting pointers on the culture of these dainty and exotic flowers.

LAST MONTH

Mr. W. A. Brown of Bakersfield gave us one of his unusual talks at the last meeting, illustrating it with a profusion of slides. "... and still the wonder grew, that one small head could encompass all he knew" comes to mind as Mr. Brown recited the names of all the slides without apparently looking at any notes.

PLANT FORUM

It was obviously Dendrobium and Bowringiana time last month, as the display tables bore a profusion of both kinds. Mrs. Crothers and Doc Charles each had a number of botanicals to show and made the comments on them. Mrs. Nell Howard discussed the Vandas and Paul Brecht and Howard Carrington pointed out the various Cattleyas, showing their likenesses and differences, etc. Harry Rapella, as usual, introduced the commentators.

PLANT DRAWING

The plants for the drawing came from Jeal's with donations also by Harry Rapella, Rheinfrank & Hudson, Mr. H. W. Crothers, Mr. E. R. Bailey, and the Southern California Greenhouse Manufacturers. Our sincere thanks to all these good people for their generous and continued gifts.

DECEMBER MEETING

It is not too early to remind members of a change of date for the December meeting, necessitated by Christmas falling on Sunday, with Monday also a holiday. Sooooo please note the December date, which will be December 29th.

LIBRARY

Once again we wish to remind our members of our library under the able hands of Mr. Van Tilton, who has a special table at the front of the hall each meeting. He will be glad to give you any books we have for your perusal during the month (and it's for free!) All one has to do is give his name for identification purposes.

NOVICE CLASS

The usual large turn-out of this class appeared at Stewart's when the semi-annual distribution of attendance certificates were given out. There were 37 this time, a record number. Mr. Frank Fordyce of Stewart's gave us one of his very interesting talks on orchids, illustrating his remarks with some plants which made one's mouth water. There were several seedlings blooming for the first time, of which the company can be very proud.

The next meeting of the Novice Class will be at the home of Mr. and Mrs. Harry Lincoln - 3521 Sanborn Ave., Lynwood. It will be November 6th at 10:00 a.m.

JUDGING

Before discussing the plants which won awards at the last meeting, Mr. A. E. Falk, Vice-Chairman of Judging, introduced Judge Ralph E. Hoyt, Chairman of Judging for the Orchid Digest Corporation. The Society is very happy to have had this distinguished visitor, and hope he will come often.

Society members are reminded that South Coast Orchid Society and Orchid Digest Corporation judging commences at 7:00 p.m. Plants not in the judging room by that time cannot be judged, but members are urged to bring their plants and let the judges at least get a look at them. If your plant does not win an award, Mr. Falk and his committee will meet with all entrants during the intermission to show just where each plant fell down on meeting award requirements.

NEW MEMBERS

We welcome the following new members:

CHARTER TO HAWAII

Mr. George Hudson is in charge of a proposed charter flight to Hawaii for a ten day tour in October, 1961. This flight is open only to members of the South Coast Orchid Society in good standing for six months prior to the tour. Details may be secured from Mr. Hudson at any of the regular meetings. Sounds like a lot of fun with a congenial crowd, and not prohibitively expensive.
