The program for this next meeting is one we have been anticipating for some time. Our own Judging Chairman, Mr. Arthur E. Falk, will be the speaker bringing to us slides and comments from his recent trip to Europe, the World Orchid Congress in London last June, and the Chelsea Flower Show. Altogether, this promises to be an evening no one will want to miss.

LAST MONTH

At the October meeting Mr. Hans Gubler gave an instructive talk on Miltonias, illustrating it with slides. Mr. Gubler started his orchid career in Europe and specializes in Miltonias. He spoke particularly about the cool growing types, as well as the warm. Inasmuch as these flowers have not been the subject of any recent programs, Mr. Gubler's talk was most informative.

PLANT FORUM

The Forum, as usual, was divided into two parts - Botanicals and Otherwise! Doc Charles and Mrs. Crothers gave their authoritative comments on the former, and Mr. Ernest Hetherington and Mr. Howard Carrington commented on the Cattleyas and other genera.

PLANT DRAWING

The plants for the drawing were from Gubler's Orchids, and we wish to thank the other donors for their gifts: Rheinfrank & Hudson, Southern California Greenhouse Mfrs. and Mr. Bailey.

Plants for the November meeting will be from Stewart's in San Gabriel.

DECEMBER MEETING

Once again we wish to remind members that the December meeting date has been postponed to December 29th, due to Christmas.

ORCHID DIGEST

Mr. Charles Bowman announced that we now have enough new subscriptions to entitle us to a third representative on the Orchid Digest Board of Directors. This new representative will be Mr. George Hudson. We are reminded, however, that we shall have to maintain this membership on the Board by keeping up the required number of subscriptions. It is suggested that whenever approaching a friend for membership in this society, you stress at the same time the importance and value of a subscription to the Orchid Digest.

NOVICE CLASS

The Novice Class met at the home of Mr. and Mrs. Harry Lincoln in November. The subjects discussed were many and varied, with Mr. George Hudson conducting.

Please note, dear friends, that the December meeting will also be at the home of the Lincoln's, but with Mr. and Mrs. Burkard as hosts. This is because of the possibility of inclement weather next month.

For the benefit of new members, Mr. and Mrs. Lincoln live at 3521 Sanborn Ave., Lynwood, and the meeting time is 10:00 a.m., December 4th.
