' LUAAU '

PLACE :

PICNIC AREA NEAR CLUB HOUSE
SILVERADO PARK
31st STREET & SANTA FE AVE.

TIME :
6 P.M.

DATE :
AUGUST 27, 1962

THAT TIME IS HERE AGAIN! OUR ANNUAL LUAAU

Please bring a dish sufficient to serve 10 (ten) people - Polynesian, Oriental or Hawaiian in nature. Also please remember to bring your own table service.

Invitations have been extended to all neighboring Orchid Societies and house guests are also welcome. We will expect a record group and there will be many surprises in store for everyone.

The program for the evening will begin at 8:00 p.m. There will be a film on Hawaii, the Plant Forum, Plant Procurement, some exciting entertainment and a surprise contest for costume. Orchid Digest Judging will be held as usual. Don't miss this memorable occasion - it will long be remembered.

As for attire --- MEN - your gayest shirts and sarongs
and
WOMEN - your muu muu's or Hawaiian dresses

Let's see who will win the prize for costume.

DON'T FORGET !!

ANNUAL LUAAU - AUG. 27th - 6 P.M.

☆ ALOHA ☆

every thought Ted would eat something wrong for him -

Last month Mr. C. R. Hulen of San Fernando gave us a very interesting illustrated talk on Phalaenopsis. All of us who attended certainly gained a lot of knowledge and we had many of our problems solved and questions answered. Again many thanks to Mr. Hulen for sharing his knowledge and experience with us.

PLANT PROCUREMENT

Last month our plants came from Mr. Hulen's Nursery and it was an excellent selection. At this time we would also like to thank Harry Rapella, Clark Day, Rheinfrank & Hudson, and Southern California Greenhouse Company for their donations.

The plants for the Luau will all be donations from members and guests. Everyone has some surplus plants to give so be sure and bring them out. With as large a crowd as we are anticipating, our Plant Procurement table should overflow this time.

P R O C U R E M E N T

PLANT FORUM

Cattleyas were more prominent again as we are coming closer to our fall season. The yellow hybrids on the table were most outstanding. The plant forum was very ably conducted by Doc Charles, Clark Day, Hugo Freed and Nell Howard.

NOVICE CLASS

Mr. and Mrs. R. Kilgore were gracious hosts to about sixty members of the Novice Class on Sunday, August 5, 1962. A question and answer type of program was conducted by Chairman, Fred Vaughan.

The September meeting will be held on September 9, 1962 at the home of Mr. and Mrs. George Hudson, 212 S. Holly, Compton, California. Please note that, due to the Labor Day weekend, this meeting is scheduled for the second Sunday in September.

SOUTH COAST & ORCHID DIGEST REGIONAL JUDGING - JULY 23, 1962

Judging Chairman: Paul Brecht

WHITE BIFOLIATE CATTLEYAS...

Like the shimmering crystals of new fallen snow glistening in the morning sun these delicate orchids will thrill you. Truly these exquisite creations from nature's treasure chest and the magic skills of the plant breeder personify good taste and chaste beauty. Truly they are deserving of their increasing popularity throughout the world. We are sure you have a place in your heart and greenhouse for our new crosses of this type. They will reward you handsomely in pleasure and profit.

* *Wilson's* ANTI-DAMP

Orchidists find Wilson's Anti-Damp a "must" for scores of uses. Its principal active ingredient, 8-Quinolone Benzoate, is recommended by University Professors and floricultural experts for control of bacterial leaf spot, canker, and other bacterial diseases affecting Cymbidiums, Cattleyas and other genera.* Anti-Damp is used by many leading growers to wash off agar when removing tiny seedlings from the flask, to sterilize seedlings and safeguard against damping-off when transplanting into or from community pots or flats. Wilson's Anti-Damp is odorless and colorless, leaves no smudge.
