## PROGRAM

March 25, 1963 - 8:00 p.m.

### "CYMBIDIUMS FOR YOUR ORCHID PLEASURE"

Ernest Hetherington

This month, in keeping with the season, we will have an expert talk to us on Cymbidiums, their care and culture, etc. Ernest Hetherington is general manager of the Fred A. Stewart Co. and is also a member of our own Society. Ernie is well known to all of us in Southern California. He is an American Orchid Society Judge and an Orchid Digest Corporation Judge. Ernie is one of the most qualified persons and it is indeed an honor and pleasure to have him as our guest speaker this month. This should be a very educational meeting for all of us and we will have our questions answered and our problems solved.

Last month John Hanes presented a very interesting program on Cypripediums. John performed some practical demonstrations on potting and dividing. We want to take this opportunity to thank John again for an excellent program.

## PLANT PROCUREMENT

Last month the plants came from Armacost & Royston and the selection was excellent. We also want to thank Day's orchids, Johnston's Orchids, Rheinfrank & Hudson, and Southern California Greenhouse Company for their donations.

This month the plants will come from the Fred A. Stewart Company so we can expect some terrific things.

## PLANT FORUM

The Plant Forum chairman, Paul Schaub had the table conducted by Leo Holguin, John Hanes, and Woodrow Wilson. These three gentlemen did an excellent job on the commentary.

## NOVICE CLASS

At the March meeting, sixty-five members of the Novice Class enjoyed the hospitality of Mr. & Mrs. J. I. Kuzins. Mr. V. C. Scoggins gave a progress report on some light experiments he is conducting and George Hudson discussed the new insecticides which are now available. Chairman Fred Vaughan then introduced W. C. Wilson who gave a comprehensive talk on cymbidium culture and demonstrated methods of dividing and repotting cymbidiums.

PLEASE NOTICE --- The next meeting that was scheduled for Sunday, April 7th will not be held this month because of this being Palm Sunday. There will be no April meeting - the next meeting will be held the 1st Sunday in May and the time and place will be announced in the next Bulletin.
