PROGRAM

April 22, 1963 - 8:00 P.M.

"C. MOSSIAE - PROGRESS AND WHAT'S NEW"

Harry Rapella

Again one of our own members, Harry Rapella, will be our guest speaker for the month. Harry is a very active member of our Society, being one of the Directors. He has a large commercial range of orchids and is very famous for his work on C. Mossiae and the progress he has made in selfing this plant. He has assembled a very large collection of this group and he has won many awards on his collection. With this being the blooming season for this species we should have a lot of plants on display and this will enable us all to do a lot of comparing. Let's all turn out for a very enjoyable evening.

As you all know last month we had a very enlightening meeting at which we all learned a lot about Cymbidiums. We again want to thank Ernie Hetherington for taking time out on his Birthday to prepare such an enjoyable evening for us all.

PLANT PROCUREMENT

The plants last month were furnished by the Fred A. Stewart Company and it was indeed an excellent selection. We want to also thank the following for their donations: Clark Day Orchids, Harry Rapella, Rheinfrank and Hudson, Toy's Orchids, and Southern California Greenhouse Manufacturers.

The plants this month will be brought by Harry Rapella so we can expect some outstanding things.

PLANT FORUM

The Plant Table was conducted by Rita Crothers on Botanicals, Mr . R. Philpott on Cattleyas, and J. McElroy on Cymbidiums. These people did an excellent job on the Commentary.

NOVICE CLASS

There was no meeting of the Novice Class in April because of Palm Sunday.

The May meeting of the Novice Class will be held on Sunday, May 5, 1963 at 10:00 a.m. at the home of Mr. and Mrs. R. Kilgore. The address is 8509 E. Boyson Street, Downey, California.

NOTE: We were happy to welcome two outstanding guests at our last meeting. Mr. and Mrs. R. Philpott from Portland, Oregon and Mr. Jack Frost from Washington. Mr. Philpott is Secretary of the Orchid Digest Corporation.

YOU GET THE RED CARPET TREATMENT WHEN YOU COME TO STEWARTS

When you come in our door you are an important person to us. We want you to feel at home and enjoy your visit. We have a staff of trained salesmen-growers to help you select the plants you want.

When you first come in to Stewarts you see an attractive patio with lounge chairs and a pot full of hot coffee on the table so you can relax. Many of our customers come a long distance and like to rest a bit before going into the orchid houses.

At Stewarts you will find displays throughout the houses with names, parentages, and prices to aid in your selection.

In the Spring we have our Cymbidium Festival and Potting Demonstrations. We also have our Cattleya Cultural Demonstration in the Fall. All these and more are our way of showing that we like to see you come to Stewarts where you get true "red carpet treatment."

We have 12 houses of Cattleyas, 12 of Cymbidiums, 1 house of Cypripediums and 2 of Botanicals — all for your orchid pleasure.

Don't you think you should come to see the exciting new crosses at Stewarts — soon? Let us show you what we mean when we speak of
