MEMBERSHIP SECRETARY

LEE N. BENTZEN  
BULLETIN EDITOR

PATRICIA McDONALD  
JANE BRECHT  
ASSISTANT EDITORS

## PROGRAM

November 22, 1965 - 8 pm to 10 pm

### "HOLIDAY ARRANGEMENTS"

Mrs. Eleanor Scoggins, chairman of our corsage booth at the forthcoming World Orchid Conference, has very engagingly garnered for us the talents of Edith Lowery, Audrey Van Dellen and Madge Fordyce, to show us how we can use our own cut orchid flowers to make delightful holiday arrangements. It is understood that as each one is making a creation, another will be making comments on the procedure. Mrs. Scoggins has asked that you please bring any orchid flowers that you can spare for use in their demonstration.

Plants for our plant opportunity table will be provided by the Paul Brecht Orchid Company.

## LAST MEETING

Mr. Bob Jones from Rod McLellan Co., San Francisco, was our guest speaker last month. He told us of his recent European trip and showed slides of the orchid growers he visited there. We enjoyed hearing about his trip and new methods being used in some of the countries. He also brought lovely plants for our plant table.

Some of the lucky winners were: Membership Drawing (2): Mr. Ernest Campuzano and Mr. Roman Brumm; Bonus plant, Mrs. Eleanor Scoggins; Exhibitor's Award - Jose Vasques, Westenberger Orchids.

We want to thank Westenberger Orchids for the donation of our beautiful bonus plant, Phalaenopsis Grace Palm x Doris #253.

## NOMINATION OF 1966 OFFICERS

Dr. Charles Aucreman, Chairman of the Nominating Committee, reports the nomination of the following officers and directors:

President - Lloyd DeGarmo  
1st Vice President - Charles Stockham  
2nd Vice President - Leo Bance  
Secretary - Helen Powell  
Treasurer - Woodrow C. Wilson  
Membership Secretary - (open)

Director - Arthur E. Falk  
Director - Eleanor Scoggins

Nominations may be made from the floor at the November meeting--provided the nominees are present or have given their written consent. Election of officers will be held at the December meeting.

#### NOTICE

Our January installation banquet is just around the corner, and we want to tell you now about the extra special plant table we will have. We are pleased to announce that we will have the following awarded plants from the collection of Mr. Arthur Falk:

1. Lc Elibo var. Long Beach A. M., A. O. S.
2. C. Mary Lynn McKenzie var "Natures Masterpiece", A. M. / A. O. S.
3. Lc. Mary Rose var "Exquisita" - A. M., A. O. S.
4. C. Pearl Harbor var Orchidglade - A. M., A. O. S.
5. C. Bob Betts var. Mara Dee Silner - Award O. S. S. C.
6. Lc. Quadroon var. "Sunny Hills" - A. M., A. O. S.
7. Lc. Bonanza var. "Klondike", A. M., A. O. S.
8. Lc. Governor Glare "Lines Variety", F. C. C., A. O. S.
9. C. David Tipton, "Inferno", H. C. C. - O. D. C.
10. C. Bow Bells var. "Purity", F. C. C., A. O. S.

#### NOVICE CLASS

46 members and guests met November 7th at the home of Mr. and Mrs. V. T. Scoggins in Huntington Beach. Vince Scoggins gave a very informative demonstration on how he pots Phalaenopsis, and his wife, Eleanor, gave a demonstration on corsage making. Refreshments were served.

The December meeting will be held Sunday, December 5th, at Armacost & Royston, 2005 Armacost Ave., West Los Angeles (near So. Bundy Drive & Olympic Blvd.), at 10 a.m. Those eligible for stock certificates will receive them then. (To be eligible you must attend four out of six monthly meetings.) Guests are invited.

*At Last!* **THE BREAKTHROUGH YOU HAVE BEEN WAITING FOR!**  
**Agricultural Enzymes**

**A Vital Supplement To Increase Plant Growth**

**Just spray it on and watch the results you have always wanted**

**"WHAT ARE ENZYMES?"**

Enzymes are nature's chemical tools. They act as organic catalysts that speed up chemical changes in cells without taking part in the change themselves.

These enzymes, amylase and protease, break down the complex food materials into simpler, more assimilable forms. As a result, this encourages growth of roots, foliage, and stimulates early blooms. Leaves assume a more erect stance and plants become more tolerant to light.

Orchid-zymes are compatible with other insecticides, fungicides, and fertilizers and may be applied in conjunction with these, even in a "shot gun" application. "Orchid-zymes" is **not** just another plant food, but truly a **new and proven** product that contributes to the growth of plants.

It is completely available to plants giving **quick and lasting** results.

**An Important Bonus:** "Orchid-zymes" will greatly reduce algae on pots, benches, compost and floors. It dissolves the unsightly white encrustations of fertilizers and chemicals that normally burn sensitive root tips.
