PROGRAM

December 27, 1966 - 8pm to 10 pm

"HOLIDAY TRADE FAIR"

For a floriferous finish to our current year, we will have a mass display of orchids shown by Fred A. Stewart, Inc., Armacost & Royston, Paul Brecht Orchid Company, Westenburger Orchid Company of Los Angeles, Clark Day Orchids and Arthur Freed Orchids.

In addition there will be goodies shown by Southern California Greenhouse Manufacturing Co. that will lend their help in easing work or help you to better grow your orchid pets. There will also be a special gift from Rheinfrank & Hudson. Each firm participating will address us on his orchid fair display. This should be one of our most colorful programs!

Plants for our plant opportunity table will be supplied by THE MEMBERS-- SO DON'T FORGET TO BRING A NICE PLANT--ONE THAT IS LABELED AND IN GOOD CONDITION - FOR THE PLANT OPPORTUNITY TABLE.

As an added "special" this month, the officers and directors will provide refreshments at this meeting.

December is also the month that we vote for officers for the coming year. Ballots will be passed among members present and officers announced.

INSTALLATION BANQUET

We hope that you are getting ready for our gala installation banquet January 24th at the Petroleum Club. This will be our 16th annual installation banquet, and thanks to Mr. Arthur Falk, we will again meet at the beautiful Petroleum Club. We are honored to have Mr. Lewis C. Vaughn, President of the American

Orchid Society as our guest speaker. Mrs. Jerry Worthen will surprise us with her outstanding table decorations (and these are a sight you won't want to miss!) LAST MEETING

Mrs. Eleanor Scoggins was chairman of our "Holiday Arrangements" meeting last month where Edith Lowery, Audrey Van Dellen and Madge Fordyce very expertly made beautiful holiday arrangements using orchids. These were donated to our plant opportunity table as an added "bonus."

Winners of our special drawings were: Bonus Plant, Mr. Crothers; Exhibitor's Award, Mr. Clark Day; the Membership Drawing was won by the Bance's.

GET WELL SOON....

We were so sorry to hear that President DeGarmo's Mother was hospitalized recently and that Audrey Van Dellen's husband is seriously ill. We send our best wishes to both of them for a very speedy recovery.

NOVICE CLASS

38 members attended the meeting of the Novice Class at Armacost & Royston's range in West Los Angeles on December 5th. 22 certificates valued at \$15 each were awarded to the eligible members.

Leo Holguin was the speaker of the day and gave a very interesting program on smog control and culture of plants.

The next meeting will be held January 9, 1966, at 14507 Funston, Norwalk, at the home of Mr. and Mrs. Bob Adams (see map below). The meeting will commence at 10 a.m. Bob is past president of the Long Beach Amateur Society. A visit to his greenhouses will show what he has done and is doing with Osmunda. Note the date--2nd Sunday in the month. Shelter is available if it rains!
