

Meets on the 4th Monday of each Month at Silverado Park Club House, 31st Street and Santa Fe Ave.

PROGRAM: September 26, 1966 -- 8 PM to 10 PM
 "Greenhouse Culture for All"

Our speaker for September will be our own Charles Bowman. Charlie, in addition to being President of the Southland Show, is Past President of South Coast Orchid Society and the Orchid Digest Corporation and has been connected with the Southern California Greenhouse Manufacturers for many years.

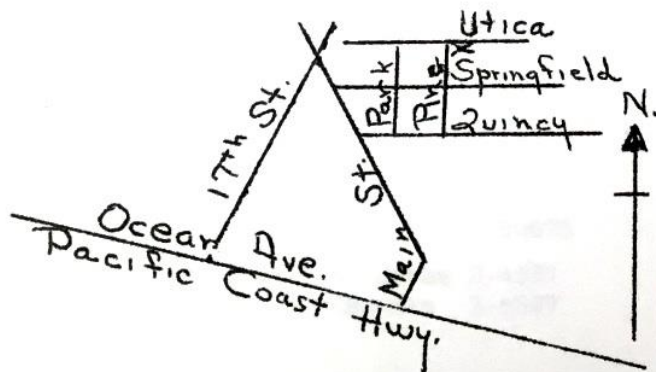

Mr. Bowman will show slides and address us on the latest innovations of greenhouse construction and culture including cooling, CO² systems, misting systems, propagating, and vocational aspects of culture that everyone from the rankest amateur to the sophisticated commercial orchidist will gain new ideas and enjoy seeing.

Plants for the opportunity table will be provided by Fred A. Stewart, Inc. Stewarts' have always been generous in providing our plant table, and we are assured of an excellent selection again.

SOUTH COAST AND ORCHID DIGEST REGIONAL JUDGING: August 22, 1966
 Judges present: Howard Anderson, Paul Brecht, Eugene A. Casey, Lloyd DeGarmo, Arthur E. Falk, Roy M. Field, Irene O. Gleason, M.D., Elva M. Hanes, John Hanes, E. Hetherington, Woodrow C. Wilson, C. J. Aucreman, M.D., and Clerk Eleanor Scoggins.

AWARDS:	Phal. Peppermint 'Malibu'	H.C.C. 77.3	Owner: Arthur Freed
	L.C. Snowdrift 'Calpine'	C.C.M. 80.	Arthur Freed
	Asc. Ophelia 'Maui'	AM. 80.7	John Hanes

LOST: A 12" lid for a chicken frier was lost at the Luau. Please return to the Membership Secretary, Mrs. Helen Powell who will see that it again finds its lost kitchen!

NOVICE CLASS: Everyone enjoyed last month's meeting at the home of Col. and Mrs. Morley. We all would like to hunt orchids in Panama if the snakes were somewhere else!

The October 2, 1966 meeting will be at the home of Mr. and Mrs. V. T. Scoggins, 1840 Pine Street, Huntington Beach, 714-LE 6-2641

Remember a member, chair and plant!

At Last! THE BREAKTHROUGH YOU HAVE BEEN WAITING FOR!

Agricultural Enzymes

A Vital Supplement To Increase Plant Growth

Just spray it on and watch the results you have always wanted

"WHAT ARE ENZYMES?"

Enzymes are nature's chemical tools. They act as organic catalysts that speed up chemical changes in cells without taking part in the change themselves.

These enzymes, amylase and protease, break down the complex food materials into simpler, more assimilable forms. As a result, this encourages growth of roots, foliage, and stimulates early blooms. Leaves assume a more erect stance and plants become more tolerant to light.

Orchid-zymes are compatible with other insecticides, fungicides, and fertilizers and may be applied in conjunction with these, even in a "shot gun" application. "Orchid-zymes" is **not** just another plant food, but truly a **new and proven** product that contributes to the growth of plants.

It is completely available to plants giving **quick and lasting** results.

An Important Bonus: "Orchid-zymes" will greatly reduce algae on pots, benches, compost and floors. It dissolves the unsightly white encrustations of fertilizers and chemicals that normally burn sensitive root tips.
