Plant Procurement: Armacost and Royston, Inc. will furnish us with another of their outstanding and interesting plant tables. With Leo Holguin assistance in selecting the plants....you know it is good.

LAST MONTH: Mr. Ken Hammer explained the new types of sprays which will be in use shortly. Also Ken's slides identifying insects and information regarding growing under lights caused the audience to react with numerous questions. From the amount of conversation regarding Mr. Hammer's talk....one knows that his audience liked the program.

SOUTH COAST ORCHID SOCIETY AND ORCHID DIGEST REGIONAL JUDGING: April 24, 1967 - No Awards.

OUR FRIENDS: We all enjoyed helping the Edward Gieck's celebrate their 50th Wedding Anniversary. And the cake furnished by Jane and Paul Brecht was equally enjoyed.

Our thanks go to the many people who helped with the plant procurement table. To list but just a few of these wonderful people...Edward Gieck, Southern Calif. Greenhouse, Mac. Thompson, Lloyd DeGarmo, Clark Day, Leo Bance, L. DeCandido and of course others who slip plants on the table and are not seen by "the spies."

LIBRARIAN: We would like to thank the Murray Spencers for the donation to the Society Library....Alex Hawkes book on Orchids, Their Botany and Culture.

GOOD NEWS: "Woody" Wilson is able to venture into the great out-of-doors. It is hoped that soon his doctor will allow him to receive all the visitors he would love to see. Maybe if he is good...He can come to see us for a short time. We would all love to see Woody out among us again.

ASSIGNMENTS: For the May meeting....MRS. TERRY BANCE and Miss Helen Powell serving at the refreshment table. JAMES and MARY POTTER, Host and Hostess to assist Mrs. Helen Powell greet our honored guests, members and friends. Mrs. KATHERN STOCKHAM and MRS. JANE BRECHT will again take over the kitchen work.
