PLANT PROCUREMENT: The table will be made up from Phalaenopsis from John Miller's range and Cymbidiums from the range of Mr. & Mrs. Dennis Carroll. We wish to take this time to thank the Carroll's for this wonderful donation to our Society.

WHAT DID YOU MISS?: The Fred A. Stewart Range presented a very interesting program for our members in June. If you missed their very abe and informative evening, I know you are now wishing you had been able to attend.

The May meeting, was another evening you should not have missed. All enjoyed the slides on Brazil, shown by Ralph Spencer.

The Society wishes to THANK. . . . RALPH SPENCER, ERNEST HETHERINGTON, RECARDO MANDEZ, AND HANS THOMMEN for very interesting programs and enjoyable evenings.
