

SOUTH COAST

ORCHID SOCIETY, INC.

LONG BEACH, CALIFORNIA

MEETS THE 4TH MONDAY OF EACH MONTH AT BIXBY PARK CLUB HOUSE 130CHERRY AVENUE

ORCHIDS ARE GRACIOUS LIVING - WEAR THEM!

PROGRAM: April 22nd, 1968 8:00P.M.....'Bifoliate Cattleyas'
If I said that an introduction of our speaker for April was superfluous I am sure you would all agree, for I am sure you all are very familiar with the gentleman, his articles, his great knowledge on his chosen subjects, etc. Dr. Jack Fowlie will explore his chosen subject in his usual thorough manner, in a manner I might add that I for one find extremely interesting. Dr. Fowlie is, along with his medical practice, attached to the U. C. L. A. Research Team, Editor of the Orchid Digest Magazine, an avid Researcher into various Species of the Orchid World, a prolific writer of articles for numerous magazines, a frequent visitor to the Arboretum Orchid Collection and if this is not enough, a very active member on numerous collecting trips to Central and South America. He must have found in his travels an hour stretcher to keep up with all his activities, maybe he will let us in on his secret.

PLANT PROCUREMENT: Our table is again to be enhanced with about 20 divisions from Mr. Art Falks collection with some additional items from various members among which will be some half doz. plants from Mr.'Mac'Thompson. So along with a notebook and pencil for notes on Dr. Fowlies program bring along a loaded wallet for participation in what promises to be a fine table.

PROGRAM PAST: For those of you who were unable to attend Paul Brecht kept us very well entertained with a most interesting talk on various problems in our chosen hobby, topped off with some very enlightening slides on difficulties we are likely to run into. The slides were I think most beneficial for we too often read about various troubles without being able to clearly visualize them. Here was graphic if not always living examples of many many of our ills. Thanks Paul for a program well done.

THANKS: Again go to Paul Brecht for a very nice table, many fine plants were in evidence. Thanks must also be extended to Hagins Orchids and Southern California Greenhouse Co. for their unfailing support to our offerings.

GOOFS: So far none to report. Either my memory is getting better or people are getting tired of telling me about them.

SOUTHLAND SHOW: With unfailing, but sometime faltering effort a small group of people pushed thru our Society Display to a successful conclusion. Thanks to their efforts We Captured 2nd Place in Society Displays, and a Ribbon for Most Original Display. I will not try to thank individuals for I am sure to overlook someone so will just say WELL DONE. The Show from all preliminary reports was quite successful with a visitor count of 15,967. Let us hope that a few of these people will see fit to come join us at South Coast, and may I suggest that if some of them are so inclined that we extend all the hospitality that we are capable of.

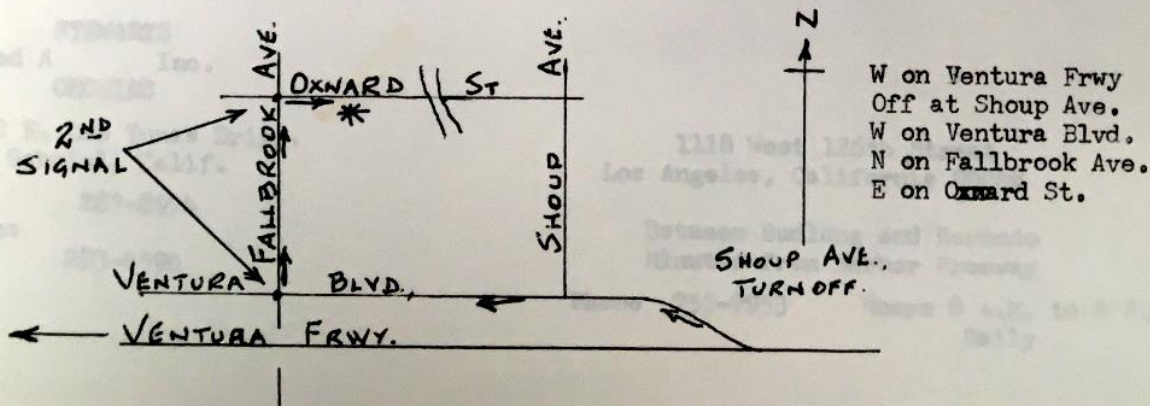

MEMBERSHIP: In conjunction with the foregoing Mr. Potter tells me that in addition to a seedling for new members from Mr. Lloyd DeGarmo, Mr. Art Falk has promised a seedling to all sponsoring members of new members. Hope you understand this!

POT POURRI: Right after going to the printer last month I received a Telegram saying that Dr. Etta Gray was quite ill. I am sorry to say that no further news has reached me so can only say that 'no news is good news', and will hope that she is now well on the way to recovery.

REFRESHMENTS: Mr. & Mrs. Beck, Mr. & Mrs. Bentzen, Mr. & Mrs. Blum, Mr. & Mrs. Brumm, Mr. & Mrs. Campuzano, and Mr. & Mrs. Carroll, have been invited to donate cookies for the April meeting.

JUDGING: Now for bad news. Due to ever increasing costs and after much deliberation the Board of Directors decided that commencing with the April meeting the slides costs of HCC and Judges Commendation Awards will have to be increased from \$2.50 to \$3.50 per Award. Sorry folks but we just have to try and remain solvent, and we are all tired of hearing the Treasurer screaming about expenditures.

NOVICE CLASS: A very well attended meeting was held at the home of Mr. & Mrs Brown on March 31st. Such an attendance is very rewarding to your Chairman. Our next meeting will be held at the Special invitation of Dorns Orchid Range in Woodland Hills. Specifically 10:A.M. Sunday May 5th at 22746 Oxnard St., Woodland Hills. (Phone 887-9682) Bring a chair, a friend, questions, but NO PLANTS.
