

SOUTH COAST

ORCHID SOCIETY, INC.

LONG BEACH, CALIFORNIA

MEETS THE 4TH MONDAY OF EACH MONTH AT BIXBY PARK CLUB HOUSE 130 CHERRY AVENUE.

ORCHIDS ARE GRACIOUS LIVING-WEAR THEM!

PROGRAM: July 22nd 1968.....' Half a World Safari'

Many of us I know have been enthralled by the short accounts by Mr. and Mrs. Falks Globe Trotting Ventures. Now we are going to be priveleged to join them via the 'Armchair' for Mr. Art Falk is going to be our July speaker. He is going to show a representative selection of slides from his collection of thousands and will attempt to give us an insight into the lives, loves and surroundings of some of our foreign friends. As you know Art is a long time member of our society, a Director of same, a A.O.S. Judge of long standing and a true friend and supporter of S.C.O.S. Although the owner of a very fine collection of Orchids I understand that for this night at least he will bypass one of his hobbies and will entertain us strictly thru the eye of his camera. Come join us and prepare to relax whilst Mr. and Mrs. Falk give us a priceless tour at their expense.

PLANT PROCUREMENT: Art has again consented to let us share with him some of the finer things that are in his collection. Do I need to say more? I think we are all fully aware of the selection and care that has gone into the accumulation of the aforesaid collection. Bring green stuff and have a go at the S.C.O.S. tables, Las Vegas can't offer more.

PROGRAM PAST: Thanks go out to Frank Fordyce and Bob Adams for a most enjoyable, entertaining, informative and informal talk. With their usual flashes of humor added to this, S.C.O.S. was priveleged to offer a rare interlude of sheer entertainment. Their appearance among us are all too infrequent. Let us hope that they will see fit to come back again real soon and share some more Pearls of Wisdom with us. I must add another thank you for the tremendous table they brought with them. For a change our Treasurer was reasonably sociable in the car going home. If you knew what I go thru on the way home I am sure you would take pity and support our tables to the best of your ability. Thanks must also go out to Art Falk, Clarence Mason, Lloyd DeGarmo and So. Calif. Greenhouse for their donation of plants, etc. to help towards the success of our meeting.

GOOFS: What do you know, I have got by this month without a complaint. Maybe you are tired of telling me about them.

POT POURRI: It's too early to give you the results of our entries in the Orange County Fair and too late to ask your help in preparing them, so will just say that I hope you had a nice 4th and that it's so nice to see you still with us. Of course you know as an Englishman I don't recognize this Holiday. How can one possibly recognize a commemoration of the day those Damn Colonials got too BIG for their britches.

June Expense (rent, plants, Bulletin, Postage, Speaker Ent. & Judging Room) 187.31
