ORCHID SOCIETY, INC.

LONG BEACH, CALIFORNIA

MEETS ON THE 4TH MONDAY OF EACH MONTH AT BIXBY PARK CLUB HOUSE 130 CHERRY AVENUE

ORCHIDS ARE GRACIOUS LIVING - WEAR THEM!

PROGRAM: October 28th 1968Part II Flowers in Bloom in Columbia.

We are again to be privileged to listen to Dr. Jack Fowlie with a further discussion upon one of his favorite subjects. I will refer you to our April Bulletin for a run down on Dr Fowlie's activities but will have to add the fact that he has recently taken a trip to Columbia on a collecting expedition, when he was accompanied by Dr. Kennedy, Mr. Ralph Spencer and Mr. Walt Rybaczyk. This is really getting your information first hand isn't it. Insofar as we were not able to join him on this journey we will just have to sit back and do so via the chair and screen. I for one, am looking forward to hearing his latest observations.

PLANT PROCUREMENT: At the time of going to press I am unaware of the source of our plant table, but I have been assured by our 1st and 2nd. Vice Presidents that it will be loaded with tempting goodies.

PROGRAM PAST: As was to be expected Mr. Ernie Hetherington gave his usual interesting, informative, and enlightening talk. I am constantly amazed at the fund of knowledge at his command. Thank you Ernie for a most enjoyable evening. Incidentally if you didn't learn it all, he will be participating in a Cultural Lecture at Stewarts on Oct. 18, 19, 20, 1:30 P.M. each day. If you have never been to one of these you don't know how much you have missed.

GOOFS: What do you know, nothing to report.

POT POURRI: I have just read my May/June issue of the G.N.Y.O.S. Orchidata (shows how far behind I am) and was most interested in their list of exhibits on the forum table for May, 144 plants of which only 45 were hybrids and these mostly in the Botanical Section. How nice tables of this size would be at S.C.O.S. Bring your plants in and let us all share their beauty. I understand that we are again the loser in that Earl Beck of A. & R. has decided to try another field of Labor. He has gone to work in Civil Service. We are going to miss Him. Congratulations to our Sister Society in Long Beach on a magnificent 'Open House'.

REFRESHMENTS: The following members have been invited to provide our Mid evening snack at the October Meeting. Mr. Robert Lundblad, Mr. & Mrs. Clarence Mason, Col & Mrs. A. R. Morley, Mrs. Della Murphy, Mr. & Mrs. W. G. McIntyre, Mr. & Mrs. J. Potter.
