MEETS ON THE 4TH MONDAY OF EACH MONTH AT BIXBY PARK CLUB HOUSE

ORCHIDS ARE GRACIOUS LIVING-WEAR THEM!

PROGRAM: MARCH 24, 1969.....' A New Look at Cattleya's

In the month of March we are indeed fortunate in having as a Speaker a gentleman who is making quite a mark as a grower in the Southland. Mr. Paul Dorn is going to tell us of his experiences in taking over an established range, of his hopes for the future, and of his fine crosses, whether on the bench, in bottle, or still forming pods on the plant. Having seen some of his magnificent stud plants I can vouch for the tremendous potentials. This program should prove to be a real new look towards the future.

PLANT PROCUREMENT: The table toward which your donations are proffered will also be from the Dorn Range. So after the foregoing how can one expect anything but the best in value and quality. I for one am going to slip an extra piece of lettuce in my pocket.

PROGRAM PAST: We are extremely grateful to Mr. Slattery for fitting his talk to our Society into a very busy schedule. His slides and remarks should have whetted the appetites of any who are going to be fortunate enough to visit Australia this year. Perhaps it has proved the turning point to a few of you who were undecided whether to go or not.

REFRESHMENTS: Invitations were extended to the following to donate our refreshments for the March Meeting. Mr. & Mrs Ray Spoelstra, Mr. & Mrs. Jack Stearns, Mr. & Mrs. Charles Stockham, Mr. A. G. Tharp, Mr. & Mrs. J. L. Thresh and Mr. & Mrs Carl Unruh.
