MEETS ON THE 4TH MONDAY OF EACH MONTH AT BIXBY PARK CLUB HOUSE

ORCHIDS ARE GRACIOUS LIVING- WEAR THEM!

PROGRAM: May 26, 1969..... "How to Collect an Orchid Collection."

Our May meeting promises to be a real 'Goodie', one of our regulars is going to take us thru the whys', wherefores' dos' and donts of Orchid Collecting. Mr. Eugene Casey is a very knowledgeable person who has, over the years gained quite a reputation as an A.O.S. Judge and also as a person who is ever willing and able to help us along that long road toward acquiring a very fine collection. With his inimitable style of delivery and his occasional flashes of Casey humor I am sure a fine evening is in store for us, so I urge you to come and join him in this program, and if any of your friends are just taking their first steps what better time could be picked to invite them along.

The Plant Procurement table for this evening will be from the Brecht Orchid Range and Paul has promised us some fine things to tempt us to donate maybe just a wee bit more.

PROGRAM PAST: Many many thanks to both Mr. & Mrs Hanes for a delightful program very very well presented and illustrated, as we limeys say. John's talk and complete command of his subject left nothing to be desired, and Mrs Hanes backing with the projector made for a really complete program. I just wish you all could have been there, thanks again.

We must not forget the Plant Procurement table that John brought along either. With able backing from Art Falk and Southern Calif. Greenhouses it ended up as one of the outstanding tables of the year. Any donations to our table are always gratefully received.

REFRESHMENTS: Invitations were extended to the following to donate our refreshments for the May meeting: Dr. & Mrs. Wallar, Mr. & Mrs. Calvin Worthen, Mr. & Mrs. J. L. Brebes, Mr. & Mrs. Oliver Dean, Mr. P. B. Fosselman and Mrs. Phila Goode.

**NOVICE CLASS:** A good meeting was had at the home of Mr & Mrs. Koenigsberg on Sunday May 4, 1969. It was very interesting to see a new approach to the growing of Orchids- Let us hope for a renewed visit. Our next meeting will be at Armacost & Royston on June 1, 1969 and will be a certificate meeting.

Now might be a good time to define this statement- Any person attending 4 out of 6 meetings June-Nov. and Dec-May is eligible for a certificate derived from proceeds from our donation table. So you see how important participation in this table can be. Certificate meetings are always at a Commercial Establishment and in their usual generous way they double the value of our collective donations.

Remember to bring a chair, a guest but PLEASE NO PLANTS FOR THIS MEETING.

**Advertisement:** How many of you tell our advertisers that you saw their ad in our Bulletin? It is with their support that you are able to receive a Bulletin and not just a card.

**LOST CAUSE:** Kindly Policeman: "Why don't you tell us your name little boy, so we can tell your family."

Little Lost Boy: "My family knows my name."

**RETIREMENT DEFINED:** Some women define retirement as twice as much man- with half as much income.

Boaster- a person with whom it is no sooner done than said.
