MEETS ON THE 4TH MONDAY OF EACH MONTH AT BIXBY PARK CLUB HOUSE

ORCHIDS ARE GRACIOUS LIVING-WEAR THEM!

PROGRAM: November 24, 1969Holiday Fantasia

As in the past our November meeting is going to be a program of ever increasing popularity. We will present our 4th Trade Fair for your pleasure, be it just looking at the goodies so masterfully displayed, or as a timely presentation of the many many ways to take care of that Holiday gift package. Invitations have been extended to all our Commercial friends to participate and judging by the response, this year should be the best of them all. At this meeting you can view or discuss anything, from a Gift Certificate to a whopping Great Greenhouse for that loved one, if you already have both of these then you can pick anything in between from a small seedling thru the largest plant with all sorts of gadgetry thrown in for good measure. As we try to cater to everyone, for those who plan to go along with President Nixon's austerity program. Advice is free. Come on along and see what we have planned for 1970, bring a friend by all means, they will be made welcome.

PLANT PROCUREMENT: Our Commercial friends have been also invited to donate to our table so we can be assured of some very fine things in this direction with no doubt something to attract everybody's attention. This of course is our intent for upon the success of the opportunity table the Society is in great part dependant.

PROGRAM PAST: Thank you Dr. Aucreman for a very fine program judging from all the comments I have heard everyone who watched enjoyed your presentation tremendously. Many of the comments were doubled barreled in that they praised you also for some beautiful photography. Let us hope that we can prevail upon you to present a similar program following the Seventh World Orchid Conference. Thanks must also be extended to Mr. & Mrs Joe Hagin for a beautiful plant table, to Southern Calif. Greenhouse , Murray Spencer and the Bances for some good back up.

Let us not forget the good work done by Murray Spencer in addressing a well attended amateur program, many thanks Murray.
