ORCHID SOCIETY, INC.

LONG BEACH, CALIFORNIA

MEETS ON THE 4TH MONDAY OF EACH MONTH AT BIXBY PARK CLUB HOUSE

ORCHIDS ARE GRACIOUS LIVING- WEAR THEM!

PROGRAM: March 23, 1970 8:00 P.M. Hybridizing-From Species On.

Our speaker this month is Mr. Hans Thommen and his subject deals with the Paphiopedilum (Cyps.) field.

Hans came to us from Switzerland about 7 years ago and is now head of the Cymbidium Botanical Division of The Fred A. Stewart Corporation. He first spent about a year at Jones and Sculley in Florida, then moved to Southern California and spent little over a year with the B. O. Bracey Nursery, finally moving to the Stewarts Organization where he seems to have settled down to a most enviable position.

Hans is a very knowledgeable person especially in the Paphiopedilum field. He worked in the Judging room at O.S.S.C. for a considerable amount of time and is now starting a brand new career as a Student Judge. If you want to listen to a gentleman who I am sure will make his mark in the Orchid Field be sure to come along this month and join us at Bixby Park.

PLANT PROCUREMENT: Although it is not as yet confirmed I am led to believe that it will be again from the Fred A. Stewart Range. If this is so then you know you can expect one of the finest. In any case you know we always have good tables. So bring GREEN STUFF!

PROGRAM PAST: If you heard a Plaintiff cry at the last meeting it was from the Editor who always seems to get 'snowed' in the Judging room when the bestest programs are being presented. Bestest for the Editor who is keenly interested in Species, collecting etc. that is. I understand that it was a real real goodie presented as only Mr. Hetherington can. A most interesting insight into the lives, customs and habitat of people we are rarely privileged to view. I also understand that some of the slides were rushed thru rather rapidly but that Ernie insisted on equal time for all. Our many thanks Mr. & Mrs. Hetherington for a tremendous program.

FROM THE EDITOR: If you think what you have read so far is somewhat haphazard, it is. This past month has been something else. All of our Officers have been extremely busy with one thing or another. Combine this with some cancellations, a Southland Orchid Show and most anything else you can think of and I am sure you will forgive us. We promise to be more specific in the Future.

REFRESHMENTS: The following have been invited to provide our cookies or what have you for the March meeting: Mr. & Mrs. H. Compagnon, Mr. & Mrs. Clyde Crary, Mr. & Mrs. H. W. Crothers, Mrs. Ruth Denner, Mr. & Mrs. Clark Day Jr. and Mr. & Mrs. O. E. Dean
