ORCHID SOCIETY, INC.

LONG BEACH, CALIFORNIA

MEETS ON THE 4TH MONDAY OF EACH MONTH AT BIXBY PARK CLUB HOUSE

ORCHIDS ARE GRACIOUS LIVING-WEAR THEM!

PROGRAM: "NEW CATTLEYAS FOR 1970" July 27, 1970 8:00 P.M.

Our speaker for this month is a very familiar figure with us, a man who is always bringing some new goodies along for our inspection. I am talking of Mr. Paul Jones, Assistant Manager at the Fred A. Stewart Orchid Range. I hate these old cliché's 'No further introduction is necessary' or 'Without further ado'. But really this month this seems very apropos for you all know of whom I speak and you all know of his wealth of knowledge, so what more can I say than 'No further introduction is necessary.' He will, by the way, be using some slides to emphasize his talk.

PLANT PROCUREMENT: Needless to say our table will be from the Fred A. Stewart Orchid Range so again 'No further introduction is necessary.'

PROGRAM PAST: What can one say to Mrs. 'Tommy' Hanes and 'Woody' Wilson except thank you for a really beautiful job. If you listened good to the procedures etc. of A.O.S. Judging they should be now as familiar to you as to the people who make it 'click' every month.

THANK YOU'S: Must also be extended to Mrs. Hagin for the Orchid Corsage and to Armacost and Royston for the plant table.

SHOW COMMITTEE: These people have been exceedingly active this last month. As I mentioned in the June Bulletin a display was put in the Home and Garden Show in Anaheim and then with a very short rest, displays were put into the Orange County Fair. For those unfamiliar with this sort of thing, this means collecting plants, props, background material etc. from various sources, transporting to the display area by whatever means available and then a minimum of 5 or 6 hours steady work arranging the display. Then for the finale everyone participating arrives at the display area at 10:00 P.M. Sunday Night and competes with a dozen other participants taking down (jokingly called tearing out), loading, and distributing the material used, then getting to work on Monday morning bleary eyed and slurry tongued from too little sleep. So, hearty congratulations to the committee for their work for the Society. Incidentally ye jolly old editor had the dubious honor of building a waterfall (transportable) from wood, chicken wire, and lava rock and he would like to say here and now that if anyone has a waterfall (transportable) they are no longer using that they would like to donate to the Society he will be tickled pink to come pick it up. We have pumps. Now let me thank on your behalf, the Scoggins, Bowmans, Stockhams, De Garmos, Bances, Brebes, Bentzens, and last but by no means least the Thompsons, and Armacost & Royston, Leo Holguin in particular, for their wonderful help in lending flowering plants, for our displays in the Home Show and Orange County Fair. It is cooperation like this that keeps the show committee happy.

REFRESHMENTS: The following members have been invited to donate cookies for the July meeting. Mr. & Mrs. Carl Keyes, Mr. & Mrs. R. Kilgore, Mr. & Mrs. R. J. Lanham, Mr. & Mrs. Nico Lek de Tachinville, Mr. & Mrs. J. C. Lien, Mr. R. J. Lundblad and Mr. & Mrs. W. McIntyre. Thank you.
