MEETS ON THE 4TH MONDAY OF EACH MONTH AT BIXBY PARK CLUB HOUSE

ORCHIDS ARE GRACIOUS LIVING- WEAR THEM!

PROGRAM: 'The New Look in Paphiopedilums' OCTOBER 26, 1970 8:00 P.M.

As the above heading suggests we are having a most authoritative speaker for this month upon a subject that is very close to many of our hearts. He is no less a person than Mr. John Hanes who through the years has been a veritable mine of information to any who were willing to ask for advice and information. John has for a considerable time been in close contact with the Rod McLellan Co. carrying on an extensive program in hybridization so is able to talk with authority on 'The New Look.' He is an active Judge with the A. O. S. and in fact is a Past Chairman of Judging for all of the United States and Possessions. In view of the current wave of interest in paphs. this is a program that should not be missed. As a 'Coup de Grace.' so to speak John will furnish the plant procurement table. This insures us some very fine things.

PROGRAM PAST: As was to be expected Mr. Paul Dorn came up with a delightful program again. Together with some beautiful slides of renowned breeders in both the Cattleya and Vandaceous Hybridizing program, he showed some most interesting views of the 6th World Orchid Conference. Thank you Mr. Dorn for a wonderful Evening.

THANK YOU: Must be extended to Mrs. Hagin for a beautiful corsage and to So. Calif. Greenhouse and the Bances for their additions to the table. As I have remarked before donations are for ever welcome.

REFRESHMENTS: The following members have been invited to donate cookies for our next meeting. Mr. & Mrs. B. A. Reed, Mr. Jack Reihing, Mr. Joseph W. Rich, Mr. & Mrs. Fred Richman, Mr. & Mrs. Lee Rowland, Mr. Ed. Rucker, Mr. & Mrs. Walter Rybaczyk and Mr. & Mrs. Wm. A. Samson
