INSTALLATION BANQUET

JANUARY 25, 1971

Social Hour 6:60 P.M.

Dinner - 7:30 P.M.

PROGRAM: 'Orchid Collecting in Madagascar'

Does that whet your appetite? If so come join us at the 21st Annual Installation Banquet of South Coast Orchid Society.

Yes, after all these years we are finally coming of age and at what better location than the beautiful Petroleum Club in Long Beach.

To mark this milestone in our life we are privileged to present another first. Our speaker for the evening will be Mrs. Ruth Kennedy who will show slides and discuss her Orchid collecting in Madagascar. You will be able to see for the very first time a lady collector in action and in person, a task heretofore jealously guarded by the male sex. Maybe there's something to this Womens Liberation Movement after all.

As in the past we are again to be indebted to Mrs. Jerry Werthen for all those gorgeous decorations that transform our banquet tables into visions of beauty.

Needless to say our Annual Awards will be presented to the lucky recipients.

Master of Ceremonies for this gala event will be Paul Brecht. Make the most of it Paul for if the trend continues maybe we'll have a complete female cast next year.

We know you will not want to miss this great evening. If you have not already received your tickets please contact Ann Wilson 2453 E. Flower St., Huntington Park, Calif. Phone 585-3082. The tickets are \$6.50 per person and if for any reason you cannot plan this far ahead they will be available at the door. Needless to say our planning will be made much easier if you can let us know your intentions ahead of time, so, bring a friend or friends and enjoy with us this outstanding evening.

Our Vice President Lee Bentzen tells me he has appealed to our commercial friends and to selected private growers for our plant table for this night. This should ensure a display of goodies in keeping with this event.

PROGRAM PAST: Unfortunately falling as it did right after Xmas our meeting was rather poorly attended. But those that did attend I am sure thoroughly enjoyed themselves. A combination of tasty morsels donated by the Officers, a fine forum by P.G. Barnet, Clark Day and Mr. Hugo Freed, seedlings donated by Armacost & Royston and Mr. & Mrs. Hagins and High Low Thermometer from Southern Calif. Greenhouse made for a welcome relaxing evening between holidays festivities. The Gift Certificates from Fred A. Stewart and Arthur Freed Orchids enhanced the table so generously donated by you the members, a table I understand that contained many fine division and plants.
