ORCHID SOCIETY, INC.
LONG BEACH, CALIFORNIA

MEETS

On the 4th Monday of each month at Bixby Park Clubhouse

Ladies, your costumes are beautiful! Why not wear an ORCHID CORSAGE to compliment them?

An apology from the South Coast Board: We are sorry about the mixup with our raffle tickets at our meeting in March. You may have heard how the tickets disappeared from our storeroom. The hour was too late to get a new supply so we made do with the ones we scrounged up from here and there. We thank you all for being so understanding.

PROGRAM

April 26, 1971

8:00 P.M.

Ernest Hetherington will be our speaker for the April meeting. The talk will be on "New Crosses and Colors of Cymbidiums." Believe me, he knows about all genera of orchids. He and his staff at Stewarts are never too busy to give a word of explanation or information on orchids, or, on the numerous other things they stock for our convenience. A trip to Stewarts is a happy "Safari". Ask anyone. The plants for the raffle table will be from Stewarts, and you will see a sample of what awaits you at Stewart's Range.

Many thanks, Mr. Keys, for a program exceedingly well done. We always expect great things from you and you have never let us down. We will be looking for you again very soon. Thanks again.

NEW MEMBERS: Hello! Welcome to Mr. and Mrs. P. Cooper! A glad hand also to Mr. and Mrs. M. Wang!

A pat on the back for Charles Stockham. He is a handy man to have around. When we have a crisis we lay it in his lap and he does his best to cope with it. The cheerful personalities of Katherine and Charles Stockham are an asset to South Coast.

The ground rules laid down for us when we rent our meeting place are ignored by some and blamed on all. One brought to mind is that no *the little thing* pets are allowed on the grounds or in the meeting room itself. Our premises must be left clean of cigarette butts and castaway tickets. Please cooperate!

Your "editor" (and I use the word loosely) has heard rumors that South Coast Orchid Society is too closely knit in clicks or snobbish even--heaven forbid! Are we guilty? What can we do to remedy the situation? I am hereby issuing a little hunk of red carpet to each one of you. The more you use it--the further it will reach.

The trip to Santa Barbara was a pure delight. Sunny Zeramby planned the trip with the expert touch of a perfectionist. She made excellent dining arrangements and scheduled our time to allow us the maximum enjoyment of the orchid ranges. The perfect weather was an extra bonus for our enjoyment. Thank you, Sunny. You did the Novice Class proud.

NOVICE MEETING: May 2, 1971, at 10:00 A.M. is the time. The home of Mr. and Mrs. Koenigsberg, 1612 S. Fremont Avenue, Alhambra, is the place, and surprise! Surprise! Ernie Campuzano is the speaker. Maybe he will let us in on how he raises those gorgeous plants. We keep seeing them at all the orchid meetings. How about it, Ernie? What's the secret?
