MEETS

On the 4th Monday of each month at Bixby Park Clubhouse

If flowers are the universal language of love, orchids must be the superlative of all adjectives!

PROGRAM

June 28, 1971

8:00 P.M.

Well! How many times does a chance like this come along? Art Falk, one of our well-traveled members of South Coast, will give a program on Greece. We who have never been to Greece can't think of anything more thoughtfully entertaining and informative as this program will be. As you all know, Art and his gracious wife, Ruth, are connoisseurs in the orchid world. This is one program no one will want to miss.

Paul Gripp, our good friend, gave a "heck" of a commentary with the showing of the Japanese movie film on dendrobiums. The question and answer period gave us the opportunity to ask pertinent questions. The plant table pointed up beautifully his topic of dendrobiums and Paul, as always, was delightful and eloquent. We do thank you, Paul.

NEW MEMBER: A belated but warm welcome to MRS. "Sully" Sullinger. Also to our new members, Mr. and Mrs. Austin Farrey, we say "Welcome, Welcome".

REFRESHMENTS: The following members have been invited to donate cookies for our June meeting: Mr. and Mrs. P. I. Brecht, Mr. and Mrs. R. Brumm, Mr. and Mrs. George Buhler, Mr. and Mrs. E. Campuzano, Mr. and Mrs. E. Charles, Mr. and Mrs. H. Compagnon, Mr. and Mrs. H. W. Crothers, Mr. and Mrs. Clark Day and Mr. and Mrs. O. E. Dean.

NOVICE MEETING: July 4, 1971, at 10:00 A.M. We will meet at the home of Leo and Terry Bance, 11963 Bombardier Avenue, Norwalk, telephone (213) 864-5990. Please bring your own chairs. Their talk will be on "Species" which is, of course, Leo's favorite topic. Terry, his lovely wife, is one of our tireless workers. Terry and Leo, together, form at least two of the vertebrae, knitting the spine of South Coast together so satisfactorily.

The organizers of South Coast's two Orchid Shows, July 13 to 18 at Orange County Fairgrounds, are asking for orchids and background greenery like ferns, etc. Terry and Leo are the ones to see about your contributions. South Coast thanks you in advance.

Speaking of phalaenopsis--and who wasn't last Sunday? Did you ever see a more beautiful sight than we saw at the Hugo Freed's Orchid Range? 'Twas enough to gladden the hearts of all mortals. Thank you, Hugo--for everything.
