INSTALLATION BANQUET  
PETROLEUM CLUB

LONG BEACH, CALIFORNIA

JANUARY 24, 1972

SOCIAL HOUR 6:30 PM

DINNER 7:30 PM

The time has come for all good orchid people to enjoy the installation of the incoming officers and award presentations for the outstanding plants awarded to the members of South Coast Orchid Society for the year 1971. From all the indications and signs I have seen there is a lot of good things happening.

PROGRAM: Art and Ruth Falk are going to be our speakers for our banquet meeting. Their program will be on the "Mayan Country". If you all remember the other program they gave us earlier in the year, it was out of this world. So plan on being there to hear this wonderful couple entertain us. We at South Coast are very fortunate in having members like the globe trotting Falks. Due to the interesting photography done by Art and the vivid narrating by his very able assistant Ruth Falk they make an unbeatable combination. Please come it will be a fascinating program. The theme, Western Hemisphere's oldest civilization, has been a challenge to Jerry Worthen's creative genius but knowing her she will come up with something beautiful to compliment the program.

As an added bonus our dinner at \$6.75 will get us a 16 oz. New York steak and all the trimings which is very very good and don't forget the drinks, they are good too. Be sure to come and bring your guests along to enjoy this evening of fun and merriment. The old saying the more the merrier.

OPPORTUNITY TABLE: We have been promised an outstanding opportunity table for this gala evening. Rots of Ruck, your lucky horeshoe may help. So bring along that Piggy bank and buy lots of tickets.

If you need more banquet tickets please call: Woody or Ann Wilson Phone: 213 585-3082.

PAST PROGRAM: A big thanks goes to Paul Brecht for his narration and to Leo Bance for the use of the slides on the award winning plants at So. Coast for 1971. It was regrettable more of our members didn't come to enjoy the slides and the goodies that the hard working ladies served with coffee.

NOVICE CLASS: Thank you Mr. & Mrs. Kilgore for having the novice class at your home, it is always a pleasure to see what Mr. Kilgore has added to his yard. It was doubly interesting because of Col. Morley's talk on collecting and shipping orchids from Panama.

Next Novice class, Feb 6, 1972 at 10:00 AM. Will be held at Col. and Mrs. Morley's 12224 Brookshire, Downey. Phone: 861-5883. Next door to the Kilgore's. Bring a chair, a guest, and a plant. See you all there.

May we extent our heart felt wish for every success to Our Sister Society the Amatuers on starting their own Novice class.

SAD NOTE: We are all sorry to hear of the death of Mr. Fred A. Stewart he will be sorely missed by those of us who knew him. He leaves his wife Lillian Stewart and two sons. The Funeral was Friday Jan. 14, 1972 at Forest Lawn Glendale.
