LAST MONTH

AUGUST PROGRAM

It's that time of year again! So dig out your favorite recipes; sort out your colorful tropical garb, and come join in the fun. There will be prizes for the most original "Island Costumes", so lets see how inventive and original we can all be.

Our Luau Chairman, Paul Brecht has promised us a repeat of last year's live entertainment along with some surprise additions you won't want to miss.

Don't forget to bring a meat dish, casserole or dessert (Polynesian, Oriental, or Hawaiian ) to serve 12 people, and bring your own table service including a cup. Guests are invited but be sure to tell them to bring eatables for 12 plus their table service.

Luau starts at 6:00 P.M. and the program begins at 8:00 P.M. The Luau will be held in the outside patio, so you may wish to bring a sweater if it gets chilly. Hope to see you all there for a tropical treat with an Islander flair.

Mr. Paul Gripp of Santa Barbara Orchid Estate gave us tips on the summer culture of cymbidiums. He explained that summer time is growing time for cymbidiums and offered the following advice for the best growing conditions.

1. a shady location 2. increase watering 3. as much light as plants can take without burning 4. feed regularly 5. ot early 6. spread plants apart, clean them up; spray for insects.

### NOVICE CLASS

LAST MONTH- Paul and Blanche Shaub hosted the novice class. Sully Sullinger developed a program about potting up cymbidium back bulbs. The Shaubs supplied refreshments and donated some epidendrums for the plant table. Blanche treated the group to some really delicious punch, one of her own recipes.

NEXT MONTH\_ The group will meet at the home of Mr. and Mrs. ALLF, Sept. 10th. So bring a plant, a chair and a friend and join the novices at 3955 Locust Ave. Long Beach.
