ORCHID SOCIETY, INC.

LONG BEACH, CALIFORNIA

OCTOBER 23, 1972

LAST MONTH

We all "ooohed and ahhed" at the fabulous exhibits of the 7th World Orchid Congress in Colombia thanks to Dr. Aucreman and the lovely slides he shared with us. Not only were we able to enjoy the show but also the scenic highlights of Colombia and other areas he visited on his trip.

We are looking forward to future congresses and hope that he will continue to share his talented coverage with us..

OCTOBER PROGRAM

Our good friend Paul Brecht is putting together a program for us on general orchid culture. The program will emphasize feeding and the different types of fertilizer that are now available. Paul will illustrate the program with slides. We can all use some tips from the experts and catch up on what's new in the field, so don't miss this chance.

REFRESHMENTS

The following members have been invited to donate cookies for our October meeting: Mr. & Mrs. E. Campuzano, Mr. Eugene Casey, Mr. & Mrs. E.W. Charles, Mr. & Mrs. H. Compagnon, Mr. & Mrs. P. Cooper, Mr. & Mrs. Crothers, Mr. & Mrs. O.E. Dean

PLANT PROCUREMENT

Paul Brecht Orchids will supply the plant table. Paul promises a general selection including species. The Directors and Officers of S.C.O.S. will also furnish plants.
