## ORCHID SOCIETY, INC.

LONG BEACH, CALIFORNIA

November 27, 1972

### LAST MONTH

Our last meeting was an educational experience. Paul Brecht put together a talk on fertilizing and the various products available. He illustrated his discussion with many types of watering and fertilizing devices. I'm sure we all benefited a great deal from his presentation.

### \*\*\*\*\* NOVEMBER PROGRAM \*\*\*\*\*

Announcing S.C.O.S. 7th Trade Fair. Looking for that special Christmas gift? Need some greenhouse gadgetry to solve your problems? Want to see what's new in plants, fertilizers, equipment etc? Here's the meeting you don't want to miss, and be sure to bring your friends to enjoy the spectacular floral displays. Invitations have been sent to all of our commercial friends to participate and from the response, this promises to be the biggest and best Trade Fair ever.

### PLANT PROCUREMENT

Our commercial friends are supplying our plant table. You all know what beautiful things they always bring. Here's your golden opportunity to win a real goodie, so don't forget your wallets. Help keep S.C.O.S. green.

### REFRESHMENTS

The following members have been invited to donate cookies for our November meeting: Mr. Lloyd DeGarmo, Mr. & Mrs. C. Dixon, Mrs. Irene Dobkin, Mr. & Mrs. A.J. Farrey, Mr. Francis Eaton, Mrs. Jean Field, Mr. Roy M. Field, Mr. & Mrs. Ben Glass. We thank them for their support.

### SOUTHLAND ORCHID SHOW

This years show was held in the Montclair Plaza, Montclair, Calif. From all reports it was a huge success. Mickey Sonneborn headed up the South Coast exhibit and not only did a fantastic display, but even wrote a poem for the event, which will appear in a future issue of the bulletin. Our great appreciation to those tireless workers who put up the exhibit: Sonia Clark, Mr. & Mrs. Sullinger, Charlie Stockham, Lee Bentzen, Della Murphy, Paul Brecht. Their efforts won us the award for the most original display. We also would like to express our appreciation to those members who donated plants for the occasion; Armacost & Royston, Sonia Clark, Mickey Sonneborn, Della Murphy, Dr. Aucerman, Paul Brecht Terry & Leo Bance, Lloyd DeGarmo, Dr. Tharp, and Woody Wilson.

## NOVICE CLASS

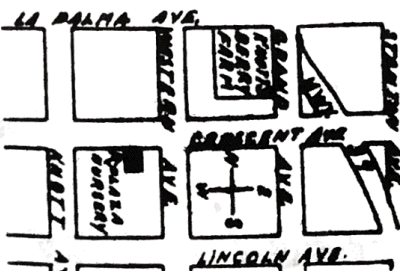

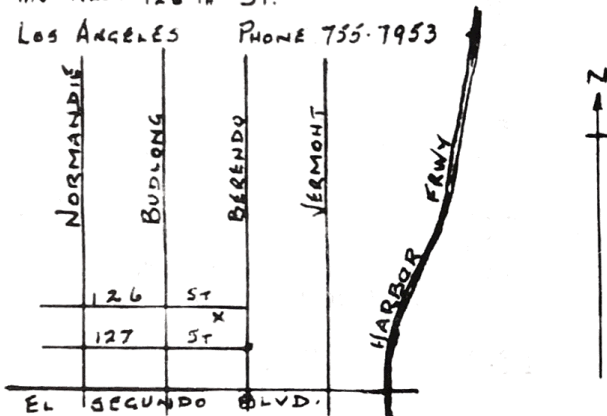

Sam and Frances Koenigsberg hosted the novice's November meeting which was not only an informative one but packed with surprises! Walter Rybaczyk spoke to the group about orchid culture and shared many experiences he'd had on orchid gathering trips. In honor of the 45th Anniversary of Pappy and Helen Reed their daughter, Sue Taylor surprised them with a beautiful sheet cake decorated with orchids. The novice class presented them with a lovely flower arrangement. Our congratulations to the Reeds. May your problems all be seedlings.

**NEXT MONTH** The novice class will hold their certificate meeting at the Hagin Orchid Range, 1118 W. 126th St., L.A. Bring a chair and meet us there.. first Sunday in December.

We all occasionally goof or make  
typographical errors, but to spell  
a members name wrong twice with  
two different spellings in one  
issue takes a certain talent.  
My sincere apologies to Mr. John
