ORCHIDS ARE GRACIOUS LIVING - WEAR THFM

REGULAR MEETING NIGHT ** JULY 23 at 8 P.M. ** SEE YOU THERE ***

It is a pleasure to announce that Mr. Don Herman will be our speaker. And, I do hope that he can give us some of the time saving tips that he must have learned so he can combine a full time teaching career with running an orchid range- TRIMWOOD ORCHIDS -, speaking engagements, and the many activities of being President of THE SOUTHLAND ORCHID SHOW, INC. Do plan to attend this meeting for it will be one of the most interesting and informative talks of the year.

THE PLANT TABLE will be from TRIMWOOD ORCHIDS and as Don Herman has a varied and exceptionally fine collection of his own cattleya crosses, you will see some that you will really enjoy owning. You know how to insure that.....so buy those TICKETS.....

JUNE MEETING HIGHLIGHTS

It is called CHARISMA and I think it describes the warm friendly charm of Ricardo Mendez. He seems to like everyone and I'm certain that everyone likes him. He gave a very informative talk on potting and growing tips that we appreciated, how ever the attentive audience was really JUST HAPPY TO HAVE HIM THERE..... He is always helpful when you see him at Stewart's Orchids, so you can really get good advice when needed from him.

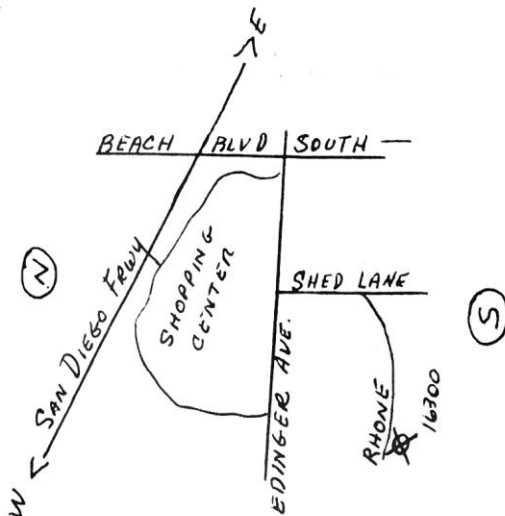

The Plant Table was furnished by Stewarts Orchids, by donations from members, Greens Holzeys, SoCal GreenHouses, and it is through these people that we are having much larger and better Opportunity Tables of late.....

A SPECIAL THANK YOU to BEA HAGIN for making the lovely corsages to give to one of the guests each month. Each of us learning to make corsages can get helpful tips from seeing these, for Bea really does make beautiful ones.....

NOVICE CLASS NEWS ** WHY DON'T YOU JOIN?

All members of the Novice Class look forward to visiting Ruby and Clyde Crary, so be there at 10 A.M. on Aug 5th to learn something new in the art of orchid culture. We need a good plant for the table & you may need a chair. See you at 16300 Rhone Lane in Huntington Beach...

Last month we enjoyed an informative meeting at the home of Dr. Tharp. Not only does he have a most extensive collection of fine orchids, but he can really show you how to grow them. Thanks so much "DOC". Your greenhouse showed how much you enjoy working at such a rewarding hobby.....

Plaza Nursery has been sold and almost all the plants, supplies, benches, etc are already gone. The Williams are happily thinking about retirement plans.... They just wanted to thank all their friends and customers for helping them and they plan to see you at some of the meetings soon.

Did you visit the Orange County Fair this last week? You can be proud of all the local Orchid Societies, because they really had outstanding exhibits. There were a lot of people working together and all that effort was spent so that these clubs can be solvent one more year.....

It's nice of the South Coast membership to applaud the Show Committee for their efforts, but I'm sure that committee would respect your applause if you showed in a more tangible way that you truly appreciate their efforts.. WE DID NOT HAVE ENOUGH FLOWERS..... If we hadn't had the PAUL BRECHT ORCHIDS for everything we could haul, Sonia Clark, Della Murphy, the Wilsons, Ruth Danner, Pappy Reed, the Worthens, the Vincents, and especially Lloyd DeGarmo... we wouldn't have had enough flowers for one display much less two. With the Paul Brecht expertise in charge each flower was really highlighted and we won SECOND & THIRD PRIZES.

The Anaheim Home & Garden Show starts July 27th. If anyone has a plant that can be used and will bring it to the meeting, I will take care of it and see that it is returned to you after the show.... Or if you will take any and I hope several to Sonia Clark's home at 2769 Maine, L.B. on or before Wed. July 25th.. they will be used in the show and we will return them to you. WE REALLY NEED BOTH FLOWERS AND WORKERS FOR THE ANAHEIM SHOW. .. DO COME AND HELP..... THESE ARE THE ONES WHO WILL APPRECIATE IT..... Charlie Bowman, Chas, Stockham, Paul Brecht, Ann & Woody Wilson, Sonia Clark, Della Murphy, Lester Vincent, John Hagee (They really all helped at Anaheim)
