New Trends in Paph & Phalae Breeding

We are honored to have as our October guest speaker JOANNE BROWN, a hybridizer at Stewart's Orchids. Her topic - "New Trends in Paph and Phalae Breeding". Since we all know the reputation of Stewart's Orchids and that they have started a new and far-reaching breeding program with paphs and phalaenopsis, this should be a very interesting and enlightening lecture. So bring a friend or two, and come and find out what your orchids are going to look like ten years from now...

And where were Mr. & Mrs. George Abendroth last month? I cannot believe that Paramount is that exciting that you'd pass up the opportunity to collect your \$25. But since you did, you gave the rest of a chance to win \$50 this month! Don't forget to see Sonia Clark for your membership ticket since they are NO LONGER BEING INCLUDED WITH THE BULLETIN!!

There is still a chance for you to get directly involved with SCOS!! Our Nominating Committee, headed by JIM MILLER, is looking for a few good men or women (we're an equal opportunity Society - Ed.) to fill the holes in the 1978 slate of officers and committee chairpersons. If you are interested in holding office, PLEASE SPEAK UP and let Jim know that you're interested. And if you are approached by the committee, don't be shy! Remember, our Society is only as good as our members make it - and that means YOU!!

COOKIES! COOKIES! are what we need from the following members: Robert Hess, William Jastram, James Lang, Mr. & Mrs. Art McCann, Wayne Maberry, James Miller, Mrs. Julius Perez, Mr. & Mrs. Ed Rucker, Mr. & Mrs. Paul Shaub, and Mildred Sonneborn. Thank you in advance! And please remember, if you cannot bring refreshments, please phone Billie McCann, our House Committee Chairperson, so she can plan in advance and we'll have enough goodies to go around. And while I'm on the subject, don't forget to thank Billie for the fine job she and her kitchen crew are doing. It's not easy to keep all us orchidophiles in hot coffee and cookies at every meeting...

NOVICE NEWS

WHEN THE BULLITEN WENT TO PRESS, THE LOCATION AND TOPIC OF THE NEXT NOVICE MEETING HAD NOT BEEN DETERMINED. THE DETAILS SHOULD BE ANNOUNCED AT THE OCTOBER MEETING. IF YOU CANNOT ATTEND, PLEASE FEEL FREE TO PHONE CHAIRMAN LARRY LEWIS, (213) 421-0054, FOR FURTHER DETAILS OF THE NOVEMBER MEETING. IT WILL STILL BE HELD AT 10:00 AM - 12 NOON ON NOVEMBER 6, THE FIRST SUNDAY OF THE MONTH. SEE YOU THERE!! (WHEREVER "THERE" IS...)

OUR LAST MEETING WAS HELD AT THE HOME OF MR. & MRS. ROBERT DUGGER, WHO, BY THE WAY, WON THE ONLY FCC AWARDED THIS YEAR AT THE SCOS REGIONAL AOS JUDGING FOR HIS VUYL. KEITH ANDREW 'LILLIAN DUGGER'. BOB IS WORLD-FAMOUS FOR HIS OUTSTANDING ODONTOGLOSSOM CROSSES, WHICH ARE VERY DIFFICULT TO MAKE IN THE FIRST PLACE. IT WAS QUITE AN EXPERIANCE FOR ALL OF US TO FIND OUT JUST WHAT IT TAKES - LIKE A SPECIAL, AIR-CONDITIONED GREENHOUSE - TO RAISE AND HYBRIDIZE ODONTS. BUT THE RESULTS ARE WELL WORTH WAITING FOR, AS WE ALL SAW. THANK YOU, BOB, FOR BRINGING A LITTLE MORE BEAUTY INTO THIS WORLD WITH YOUR SUPERB HYBRIDS. YOUR GRACIOUS HOSPITALITY WAS GREATLY APPRECIATED!

LAST, I WOULD LIKE TO EXTEND A PERSONAL INVITATION TO ALL MEMBERS, FRIENDS AND GUESTS TO ATTEND OUR NOVICE GROUP MEETINGS. "NOVICE" DOES NOT JUST REFER TO BEGINNERS, BUT TO ANYONE WHO IS NOT PROFESSIONAL - WHICH INCLUDES 99% OF OUR MEMBERSHIP. OUR MEETINGS PROVIDE A CHANCE TO SHARE CULTURE TIPS, GET ADVICE FROM MORE EXPERIENCED GROWERS, TRADE PLANTS TO ENHANCE YOUR COLLECTION - AND MAKE NEW FRIENDS! WON'T YOU GIVE US A TRY? LARRY LEWIS

AND A SIN OF OMISSION - My apology to ART McCANN for omitting his third place ribbon for Ascda. 50th State Beauty last month

THANK YOU to our September judges: Harriet Rangsuchsin and Michelle Terry. Do the judges' names begin to sound too familiar?? Don't like the way the ribbons are handed out? If you get to the meeting by 7:30 p.m., you too can help with the judging! You don't have to be an expert - just pick your favorites. Please see either Dr. Ben Glass or Dr. Walt Stegman for your judging sheet. Here come da judge!!

THE LAST PAGE!!!.....GOSSIP.....NEWS FROM SEPTEMBER.....

Those who missed the September meeting missed the opportunity to see Donn Hermann poke fun at all the people we know and love (?) in the Orchid world. I must admit that the title of his talk had me entirely faked out - I went expecting a scholarly talk on how to feed your orchids colchicine and get incredible flowers, and instead I got a look at what would happen if Donn slipped colchicine in everybody's coffee. Here's just a small sampling of Donn's wonderful and clever caricatures: Howard Wilburn as peddler of pots and pans, George Vasquez as Poncho Villa, Charlie Bowman as the Fonz (and you should have seen that one!!! We nearly took up a collection to buy him a Fonzie hairpiece!), Art McCann as General MacArthur, and Dr. Tharp as Mr. Hyde (a word to Donn - if you're smart, you won't bring your plants here for judging next year!) But I think I enjoyed his closing remarks the best - so if I may paraphrase them, Donn: Societies are like orchids. Some of the members have an initial attraction, others have an inner beauty that comes from getting to know them better, even if they do not attract initially. And a good Society can laugh with each other, share, and enjoy together. Thank you, Donn, for a lovely lecture, and for providing such lovely cattleyas and seedlings from your collection for our table.

CONTRIBUTION DEPARTMENT: Thanks for supplementing the plant table to: Art McCann, cymbidium, Woody Wilson, paph, and OrcoSales (? sp. - Ed.), bird feeder.
